**WHEREAS** the Administrator, under the provisions of the Fisheries and Coastal Resources Act, S.N.S. 1996, Chapter 25 (the "Act") and the Aquaculture Licence and Lease Regulations (the "Regulations"), is authorized to renew aquaculture licenses and aquaculture leases;

**AND WHEREAS** pursuant to the Act the Lessee was issued Aquaculture Lease No. 1360 on September 12, 2012 for a term of ten years from August 2, 2012 to August 1, 2022;

**AND WHEREAS** the Lessee wishes to renew aquaculture Lease No. 1360;

**NOW THEREFORE**, in consideration of the mutual covenants and agreements herein and the sum of \$1.00 and other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), the Parties agree as follows:

1. The Administrator hereby grants to the Lessee a lease to use a 7.91 hectare area located in the body of waters known as Merigomish Harbour, Pictou County, more particularly described in Schedule "A" attached to and forming part of this Agreement (the "site") for the bottom (seeding only) cultivation of American oysters (*Crassostrea virginica*) and Bay quahog (*Mercenaria mercenaria*).
2. The term of this lease shall be for twenty years from August 2, 2022 to August 1, 2042, with the right of renewal, in accordance with the terms of the Act and the Regulations.
3. The Lessee shall pay to the Minister of Finance and Treasury Board an annual fee as set out in the Regulations. The annual payment must be received by the anniversary date of the lease. Late payments are subject to a fee as set out in the Regulations.
4. The undertakings set out in Schedule "B" to this lease (the "undertakings"), form part of this Agreement, and the Lessee hereby agrees to comply with any conditions or limitations contained in the undertakings unless compliance for leasing purposes is expressly waived by the Administrator. The Lessee is responsible for confirming any undertakings and ensuring compliance with them.
5. Except to the extent restricted by an enactment or this lease, the Lessee has, for aquacultural purposes, the exclusive right to use the leased sub-aquatic lands and water column.

10. The Lessee must adhere to the Farm Management Plan, as it is in effect for this lease from time to time, and any failure to adhere to the Farm Management Plan is a breach of this lease.
11. This lease does not include any rights as to minerals in or on the site.
12. The Lessee shall submit to the Minister of the Nova Scotia Department of Fisheries and Aquaculture (the "Minister") an annual report stating such information as the Minister requires concerning the Lessee's use and the productivity of the site.
13. Following the completion of a performance review, in accordance with the Regulations, of the aquaculture operation subject to this lease, the Administrator may vary any terms or conditions of this lease in order to address any concerns raised in the performance review.
14. The Lessee is hereby prohibited from using the site in any way that would interfere with other leased aquaculture operations.
15. The Lessee is hereby aware that the placing of an anchor or driving of stakes, within the limits of the site by persons other than the Lessee, provided such are included in legitimate operations incidental to fishing or catching any kind of fish other than species type, and that placing of buoys or stakes by the proper authorities, for navigation purposes, shall not be deemed as interference with the proper cultivation of the site by the Lessee.
16. If the Administrator, in his or her sole discretion, is of the opinion that the aquaculture activities authorized by this lease are detrimental to or interfere with other leased facilities, the Administrator may revoke this lease without compensation.
17. The Administrator may revoke this lease without advance notice or compensation if the Lessee is found by a court of competent jurisdiction to be in violation of any law of the Province or Canada relating to fishery activities.
