

## How to Change the Signature Option for an Agreement

## For External LaMPSS users

Once you have submitted the signed Agreement Contract via LaMPSS Online, you will receive the following message advising that your funding agreement will be ready once all required signatures have been verified.

If you wish to sign the Agreement Contract another way, you can click on 'Change how this funding agreement is signed' to select another option. You will navigate back to the selection page detailing how you want to sign the Agreement Contract. If you wish to change your previous selection, select a new option and click 'Continue', if not select 'Back'.

## How to Change the Signature Option for an Agreement

## For External LaMPSS users

If you decide to change your previous signature option, you will receive the following warning message. If you decide to proceed, click OK, to continue with changing the signature option.
