IN THE MATTER OF: The *Emergency Management Act*,
S.N.S. 1990, c. 8 – and – The **Renewal of Provincial State
of Emergency by Minister** (s.19(2))

Emergency area:

On June 1, 2023, a State of Emergency was declared for the area around and including Pisiqid Lake, Windsor, Hants County in the Province of Nova Scotia.

Nature of the emergency:

Nova Scotia experienced unprecedented wildfire activity in May 2023. Out of control wildfires damaged homes and destroyed large tracks of land. The fire suppression resources in the emergency area were inadequate for a large fire event. The Provincial government has to monitor the availability of essential water resources in the Hants County area for wildfire and fire suppression purposes. These circumstances require the continuation of prompt coordinated action or regulation for the protection of property and for the health and safety of persons in the emergency area.

I am satisfied that an emergency, as defined in clause 2(b) of Chapter 8 of the Acts of 1990, the *Emergency Management Act*, continues to exist or may exist in the Province and requires the further continuation of the state of emergency in the emergency area identified above.

While under a Provincial State of Emergency, I may require any or all of the actions specifically listed under clauses 14(a) to (m) of the *Emergency Management Act*, or anything else I determine is necessary for the protection of property and the health or safety of persons in the Province.

The Directions issued from June 1, 2023, until today shall continue in place under this renewal unless terminated or changed by me in writing. Further Directions may be issued and posted for the public throughout the State of Emergency. This State of Emergency was previously renewed from June 15-29, June 29-July 13, July 13-7, July 27-Aug. 10, Aug. 10-24, Aug. 24-Sept. 7, Sept. 7-21, Sept. 21-Oct. 5, Oct. 5-19, Oct. 19-Nov. 2, Nov. 2-16, Nov. 16-30, Nov. 30-Dec. 14, Dec. 14-28, Dec. 28, 2023-Jan. 11, 2024, Jan. 11-25, Jan. 25-Feb. 8, Feb. 8-Feb. 22, Feb. 22-Mar. 7, Mar. 7-Mar. 21, Mar. 21-April 4, April 4-18, April 18-May 2, May 2-16, May 16-30, May 30-June 13, June 13-25, and from June 25, 2024 to July 11, 2024.

With the approval of Governor in Council, I hereby further renew the declaration of a State of Emergency for the emergency area identified above to continue on and after 8:00 pm on **Thursday, July 11, 2024.**

If this Declaration is not renewed or terminated earlier, the State of Emergency remains in effect until 14 days after the date and time it is declared, which is until 8:00 pm on **Thursday, July 25, 2024.**

Dated July 11, 2024, at Halifax, Nova Scotia,

Honourable John Lohr
Minister of Municipal Affairs and Housing

The treatment visits under the Automobile Insurance Diagnostic and Treatment Protocols Regulations are intended to be free of any financial barriers that might limit patients seeking early, appropriate treatment for their injuries. "Extra" (or balance) billing practices pose a financial barrier as well as stress to a patient, therefore practitioners may not extra-bill. This prohibition is derived from section 8(1) of the Automobile Insurance Diagnostic and Treatment Protocols Regulations.

All descriptions of services, activities and functions in this Bulletin are premised on the rules, criteria and descriptions which currently exist under the Automobile Insurance Diagnostic and Treatment Protocol Regulations under the Insurance Act (Nova Scotia), which are subject to amendment from time to time.

This document explains the maximum fees and disbursements payable for services, activities and functions provided under the Regulations, but all legal rights and obligations under the Regulations (other than the amount payable which are authorized to be set out in this Bulletin under the Regulations) are described in the Regulations, and the final determination of whether a service, activity or function is authorized is determined by the Regulations.

³ A Progress Report should only be prepared at the request of an insurer. Progress reports that are prepared in the absence of such a request are not required to be reimbursed.

⁴ A Progress Report should only be prepared at the request of an insurer. Progress reports that are prepared in the absence of such a request are not required to be reimbursed.
