RG September 13, 2023

IN THE MATTER OF: The *Emergency Management  
Act*, S.N.S. 1990, c. 8

**Emergency area:**

On June 1, 2023, a State of Emergency was declared for  
the area around and including Pisiquid Lake, Windsor,  
Hants County in the Province of Nova Scotia.

**Nature of the emergency:**

Nova Scotia has experienced unprecedented wildfire  
activity in multiple areas of the Province since May 2023.  
Out of control wildfires have damaged homes and  
destroyed large tracks of land. Residents have been  
forced to evacuate and to remain displaced when fire gets  
too close. The current ground and forest conditions  
together with the longer-term precipitation forecast result  
in an extreme risk of fire in the Province and the  
imminent possibility of another fire emergency  
occurring. The Provincial government is monitoring the  
availability of essential water resources in the Hants  
County area for fire suppression purposes. These  
circumstances require the continuation of prompt  
coordinated action or regulation for the protection of  
property and for the health and safety of persons in Nova  
Scotia.

I am satisfied that an emergency, as defined in clause 2(b)  
of Chapter 8 of the Acts of 1990, the *Emergency  
Management Act*, continues to exist or may exist in the  
Province and requires the further continuation of the state  
of emergency in the emergency area identified above.

While under a Provincial State of Emergency, I may  
require any or all of the actions specifically listed under  
clauses 14(a) to (m) of the *Emergency Management Act*,  
or anything else I determine is necessary for the  
protection of property and the health or safety of persons  
in the Province.

The Directions issued from June 1, 2023, until today shall

continue in place under this renewal unless terminated or  
changed by me in writing. Further Directions may be  
issued and posted for the public throughout the State of  
Emergency.

This State of Emergency was previously renewed from  
June 15-29, from June 29-July 13, from July 13-27, from  
July 27 -August 10, from August 10-24, and from August  
24, 2023 -September 7, 2023.

With the approval of Governor in Council, I hereby  
further renew the declaration of a State of Emergency for  
the emergency area identified above to continue on and  
after 8:00 pm on **Thursday, September 7, 2023**.

If this Declaration is not renewed or terminated earlier,  
the State of Emergency remains in effect until 14 days  
after the date and time it is declared, which is until 8:00  
pm on **Thursday, September 21, 2023**.

Dated September 7, 2023, at Halifax, Nova Scotia,

Honourable John Lohr  
Minister of Municipal Affairs and Housing
