

BE COYOTE

SMART

HIKE SAFELY

Hike with friends, use a walking stick, and carry a noisemaker.

DON'T FEED ANIMALS

Coyotes with access to human food or garbage lose their fear of people.

IF A COYOTE APPROACHES YOU:

BACK AWAY SLOWLY

Don't run!

ACT BIG

Wave your arms or walking stick to scare it away.

MAKE NOISE

Shout, use your noisemaker, throw stones.

FIGHT BACK

If a coyote attacks, use whatever is available to defend yourself.

Report unusual or aggressive coyote behaviour to the
Department of Natural Resources: 1-800-565-2224.
