

NOVA SCOTIA DEPARTMENT OF TRANSPORTATION AND INFRASTRUCTURE RENEWAL  
 TRAFFIC AND ENGINEERING ROAD SAFETY  
 FIVE YEAR COMPARISON OF MOTOR VEHICLE FATALITIES AND FATAL COLLISIONS  
 from January 1st through to December 31st, 2019

\*Preliminary counts may change as investigations are completed (investigations may take up to one year)

\*\*Occupant: includes all types of cars, trucks, and tractors

Note: Counts only include fatal motor vehicle collisions occurring on publicly accessible roads or parking lots

Fatal off-road collisions are not counted

Devon Connellan, Acting Traffic Collision Analyst, Nova Scotia Department of Transportation and Infrastructure Renewal
