

## Crop Loss Information Form

The Nova Scotia Department of Agriculture is requesting your feedback regarding frost damage to crops in June 2018. Please complete and return this form reporting any damage you may have sustained. We ask you to return the form or contact us even if you have nothing to report.

Name	Farm Registration #	
Address	Town	Postal Code
Phone	Email	

- Did you sustain crop damage due to the severe weather event on June 3, 2018?     Yes     No
- Complete the table for all your crops (perennial and annual) affected by the June 3, 2018 weather event. If providing information on a perennial crop, please separate acres intended to be harvested from those acres that would not have been harvested in 2018. For example, blueberry sprout fields should be separated from blueberry acres that were to be cropped in 2018.

Affected Crop	Total Number of Acres	Percent of Crop Loss	Covered by Agriinsurance? (yes/no)	Historical Average Yield per Acre	Estimated Loss in dollars (\$)

- Describe any identified long term (beyond 2018) effects on your perennial crops.

Affected Crop	Total number of Acres	Identified long-term yield impact	Describe any long-term concerns

4. Describe and impacts to your livestock feed needs.

Affected Livestock	Impact	Estimated Loss in dollars

5. Is there anything else related to the frost event that you would like to comment on?
