

# Games and activities in licensed establishments

Games and activities such as darts, pool, cards, bowling and others are allowed in licensed establishments as long as the following criteria are met. If you have further questions, please contact Alcohol and Gaming at 902-424-6160.

The same criteria can be used for these types of activities in non-licensed establishments.

- All the requirements in [clause 11.1 \(b\) of the Health Protection Act Order](#) are being met.
- The game or activity must be conducted in a manner that ensures participants are able to maintain at least 2 metres/6 feet of physical distance between them throughout the activity, except when they are from a single group of up to 10 people seated at the same table.
- If there is dedicated seating for teams in a specified playing area, then the tables need to be separated by at least 2 metres/6 feet and there can only be a single team of people per table.
- Masks must be worn at all times by participants, except if they are seated at their table and eating/drinking.
- Eating and drinking can only take place when a person is seated at their table.
- During an activity, there can be no sharing of equipment such as cards, darts, etc except within the single group of up to 10 people seated at a single table.
- Between activities, all equipment that is meant to be shared between participants must be wiped or cleaned with a disinfecting cleaner.
- The establishment must have protocols and processes in place to facilitate handwashing/sanitizing by participants before and after they play, and to ensure cleaning of common surfaces between groups of players.
- Singing activities such as karaoke are not allowed, except at dedicated karaoke bars which consist of multiple small rooms with tables that only hold groups of up to 10 people.
- Regular leagues and one-time tournaments that can adhere to these requirements are allowed.
