These guidelines are meant to support the reopening of recreation programs and facilities, adhering to the Nova Scotia Provincial Government coronavirus guidelines. The following must be demonstrated in any reopening plans:

**Environment**

- How physical distancing will be maintained at the facility, following the *physical distance guidelines*.
- How physical distancing will be maintained before, during and after activities, following the *physical distance guidelines*.
- How the number of people within a *facility* will be limited.
- How congregation of people in shared areas (i.e: common space where participants are checked in and out, washrooms, changing rooms, equipment rooms, etc.) will be limited.

**Equipment**

- How shared equipment will be limited.
- How equipment will be managed and cleaned with appropriate disinfecting cleaner before and after use.
Personal Protective Precautions

• How you’ll follow the latest public health guidelines for cleaning and disinfecting.

• How you’ll follow the latest public health guidelines for hygiene, including hand hygiene, and promote hand hygiene throughout the space.

• How participants will be educated to make sure they don’t participate if they’re feeling unwell or have symptoms.

Communication

• How users will be informed of the specific safety precautions they must follow.

• How your facility and programming protocols will be communicated to all participants.

• If possible, maintaining a user registry (names, dates, time, and contact info) to facilitate potential public health contact tracing.
