Notes:

- 1) *When terminating a community treatment order in accordance with subsection 56(1) of the Act, a psychiatrist must request that a peace officer take the person into custody and promptly convey the person to the psychiatrist for a medical examination if all of the following conditions are met:*
 - *the psychiatrist has reasonable cause to believe that the person continues to meet the criteria set out in subclauses 47(3)(a)(i), (ii), and (iii) of the Act*
 - *reasonable efforts have been made to do all of the following:*
 - *locate the person*
 - *inform the person's substitute decision-maker of the failure to comply*
 - *inform the substitute decision-maker of the possibility that the psychiatrist may make a request for the peace officer to take the person into custody and the consequences*
 - *provide reasonable assistance to the person to comply with the terms of the order*
- 2) *A request under subsection 56(1) of the Act is sufficient authority, for 30 days after it is issued, for a peace officer to take the person named in it into custody and convey the person to a psychiatrist who shall examine the person to determine whether*
 - *the person should be released without being subject to a community treatment order*
 - *the psychiatrist should issue another community treatment order if the person's substitute decision-maker consents to the community treatment plan*
 - *the psychiatrist should conduct a psychiatric assessment to determine if the person should be admitted as an involuntary patient under a declaration of involuntary admission.*
- 3) *A copy of this order should be sent to the Review Board*
