BULLETIN

LLQP LIFE LICENSING QUALIFICATION PROGRAM

Please be advised that December 18, 2015 will be the last day for writing the **current LLQP** exam in Nova Scotia.

Beginning January 1, 2016, a **new LLQP** exam regime is in place.

If you were unsuccessful on the exam attempt on Dec. 18 or prior, you need to be recertified by your course provider to take the **new LLQP** exams from January 2016 onwards.

Please contact your employer or course provider regarding information on how to get recertified.

Thank you.

William Ngu,
Acting Superintendent of Insurance
