## Proposals to the Administrator:

A total of 1 proposal was considered by the Administrator. Any proposals received that were incomplete and/or outside of the allotted time were not taken under consideration.

## Panel Assessment:

Prior to evaluation, all eligible proposals were assessed by a panel composed of Department staff, industry experts and key stakeholders. The results of the panels assessment and their recommendations were provided to the Administrator on January 13, 2025.

## Decision:

Following evaluation of the proposals and the results and recommendations provided by the panel taken under consideration, the Administrator hereby issues the following decision:

No proposal was selected and no proponent is eligible to apply for site AQ#8010. As such, AQ#8010 remains eligible for a new call for proposals which may be issued again at a later date.
