

Public Notice – Administrative Application Under Review

The following *Application(s)* has been received:

Applicant: Roger Myette	Type of Application: Renewal
Application File Number: AQ#0524	Species: American oyster
Location: Tracadie Harbour, Antigonish County	Method of Cultivation: Bottom with gear, bottom without gear
Application Received On: September 8, 2025	

The application(s) is under review by the Department and other relevant provincial and federal departments and agencies where applicable. A copy of the application and supporting documentation will be posted to the Department's website after initial screening. Following the review phase, complete applications will be referred to the Nova Scotia Aquaculture Administrator. The Aquaculture Administrator shall then post a notice inviting members of the public to provide written comment on the application for a 30-day period. Notification of the date of the public comment period will be made through the Department's website. Following the public comment period, the Aquaculture Administrator will issue a decision on the application(s) and the decision will be posted on the Department's website.
