

Public Notice – Administrative Application Under Review

The following *Application(s)* has been received:

Applicant: Estate of Mel Grover	Type of Application: Assignment
Application File Number: AQ#1062	Species: American oyster
Location: Aspy Bay, Victoria County	Method of Cultivation: Bottom without gear
Application Received On: August 27, 2025	

The application(s) is under review by the Department and other relevant provincial and federal departments and agencies where applicable. A copy of the application and supporting documentation will be posted to the Department's website after initial screening. Following the review phase, complete applications will be referred to the Nova Scotia Aquaculture Administrator. The Aquaculture Administrator shall then post a notice inviting members of the public to provide written comment on the application for a 30-day period. Notification of the date of the public comment period will be made through the Department's website. Following the public comment period, the Aquaculture Administrator will issue a decision on the application(s) and the decision will be posted on the Department's website.
