12. The Licensee is hereby prohibited from using the site in any way that would interfere with other licensed aquaculture operations.
13. If the Administrator, in their sole discretion, is of the opinion that the aquaculture activities authorized by this licence are detrimental to or interfere with other licensed facilities, the Administrator may revoke this licence upon reasonable notice without compensation.
14. The Administrator may revoke this licence without advance notice or compensation if the Licensee is found by a court of competent jurisdiction to be in violation of any law of the Province or Canada relating to fishery activities.
