

Public Notice – Adjudicative Application Under Review

The following two (2) *Applications* have been received within the *Option to Lease* (“Scoping”) period, during which the proponent collected information to support their applications:

Proponent: Denver Marine Ltd.	Species: American oyster
Applications Received On: April 6, 2022	Method of Cultivation: Suspended Cultivation Bottom Cultivation with Gear
Application File Number: AQ#1454	Location: Lazare’s Island, Richmond County
Application File Number: AQ#1455	Location: Walsh’s Deep Cove, Richmond County

The application(s) is under review by the Department and other relevant provincial and federal departments and agencies. A copy of the applications and supporting documentation will be posted to the Department’s website after initial screening. As part of the review, maps of the proposed locations have been developed and posted on the Department’s interactive Aquaculture Site Mapping Tool, located at <https://novascotia.ca/fish/aquaculture/site-mapping-tool/>. Following the review phase, complete applications will be referred to the Nova Scotia Aquaculture Review Board (NSARB). The NSARB provides an opportunity for members of the public to participate in the public hearing process. Notification of the date of the public hearing will be made through the Department’s website. The NSARB will issue a decision on the applications and the decision will be posted on the Department’s website.
