NOVA SCOTIANS LOVE TO FISH

Nova Scotians love to fish. Angling is our most popular outdoor recreational activity. To help sustain this valuable sport, the Provincial Dept. of Fisheries & Aquaculture operates three fish hatcheries; Fraser's Mills Hatchery, Antigonish County, Margaree Fish Hatchery, Inverness County and McGowan Lake Hatchery, Queens County.

Atlantic salmon, Brown trout, Rainbow trout and Speckled trout are raised and distributed throughout the year. The most popular and visible stocking activity is the Spring Recreational Trout Stocking Program. In this program, our official provincial fish, Speckled trout and the ever popular Rainbow trout are distributed across the province.

Thousands of Nova Scotians cherish the opportunity to spend time outdoors on or near the water. This list of stocked lakes should help.

NS RECREATIONAL FISHING AREAS

To allow management on a regional basis, the province is divided into six Recreational Fishing Areas (RFA's). Each RFA has a Recreational Fisheries Advisory Council that is open to the public and consists of anglers and volunteer sportfishing organizations with participation from other government agencies. The Inland Fisheries Division meets annually in each RFA to present research and discuss and develop regulations, enhancement opportunities and other sportfishing initiatives.

Check website for
scheduled fishing
events.

BARRIER FREE SPORT FISHING SITES

Barrier Free sites provide elderly and handicapped anglers access to various sportfishing opportunities.

Report illegal fishing activities to your local office:
Department of Natural Resources: 1-800-565-2224
Department of Fisheries and Oceans: 1-800-565-1633
Nova Scotia Crime Stoppers: 1-800-222-TIPS (8477)
