

# Quick Reference Card

## TIR Marine

### XTL 1500 Base

### EHS Page on Marine Talkgroup

- 1) Ensure radio remains on Marine at all times
- 2) If page from EHS is received (beeping and strobe light) simply transmit on radio to acknowledge EHS

### EHS Page when radio is not on Marine Talkgroup

- 1) If radio is on another talkgroup, the page will still be received from EHS (beeping and strobe light)
- 2) Acknowledge alarm by pressing the push to talk (transmit button) on the radio
- 3) Change radio from current talkgroup to the Marine Talkgroup in order to communicate with EHS

**NOTE:** *If you do not switch to Marine TG, EHS will not be able to hear you.*
