

Civil Forfeiture Grant Program 2026-27				
Stream	Applicant	Project Description	Amount Approved	Community
Victims of Crime	Brigadoon Children's Camp Society (Camp Hope)	Camp Hope - improves outcomes for families challenged with the impacts of child sexual abuse through therapeutic experiences, education, and community building. The Camp supports survivors, caregivers and siblings and is hosted at Brigadoon Village in collaboration with RCMP and others.	\$30,000	Province-wide
Victims of Crime	Shelter Movers	Strengthening Safe Transitions for Survivors Across Nova Scotia - provides free trauma-informed moving and storage support to victims of crime, primarily women, children and seniors, fleeing gender-based and family violence.	\$50,000	Province-wide
Victims of Crime	Thriving Twogether	IPV Survivor Support Program - aims to increase safety, stability and well-being through safety planning, crisis support, system navigation, peer support, referrals and educational workshops that empower participants to rebuild their lives and strengthen resilience.	\$50,000	Yarmouth
Victims of Crime	East Hants Municipality	Safe Communities Day -designed to provide a safe, welcoming and family-friendly environment where residents can connect directly with emergency responders and victim support organizations. The event focuses on increasing awareness of intimate partner violence, strengthening community safety partnerships and improving access to support services for residents across East Hants and surrounding communities.	\$12,000	East Hants
Victims of Crime	MADD Canada	2027 Victims' Weekend - specialized support services to victims and survivors of impaired driving who have been injured or have lost someone within the past year in Nova Scotia. The program promotes healing through series of keynote presentations, workshops and reflection sessions.	\$14,000	Province-wide
Crime Prevention	St. George's YouthNet	YouthNet Teen & Junior Leaders Program - uses a hybrid model of drop-in programming and structured activities supporting youth to develop problem-solving, emotional regulation and interpersonal skills. The program will train 20 youth from the Uniacke Square area in HRM.	\$31,000	HRM
Crime Prevention	John Howard Society	The Bridge Initiative program mentor will deliver group programming that addresses barriers to life skills training and educational programming. Through structure transitional support, the program aims to combat severe social isolation and deteriorating mental health, thereby reducing recidivism. The project aims to eliminate a systemic gap for those with no formal discharge plan, limited resources and fragmented community networks.	\$43,000	Province-wide
Victims of Crime	Avalon Sexual Assault Centre	The Access to Justice for Survivors of Sexual Violence program will help expand the existing legal navigation program providing additional one-on-one legal support, information, programming and systems navigation and create lower-barrier pathways to support survivors navigating police, court and related legal processes.	\$50,000	Province-wide
Total \$\$ Awarded - Fiscal 2026-27			\$280,000
