The Governor in Council on the report and recommendation of the Minister of Municipal Affairs and Housing dated November 17, 2020, and pursuant to Subsection 19(2) of Chapter 8 of the Acts of 1990, the *Emergency Management Act*, is pleased to approve the further renewal by the Minister of Municipal Affairs and Housing of the state of emergency declared by the Minister under Subsection 12(1) of the *Emergency Management Act* on March 22, 2020 and as previously renewed, as a result of the COVID-19 pandemic, in the form set forth in Schedule “A” attached to and forming part of the Report and Recommendation, effective at noon on November 29, 2020 until noon on December 13, 2020.

Schedule "A"

**Renewal of Provincial State
of Emergency by Minister**

(subsection 19(2) of the *Emergency Management Act*)

Emergency area:

On March 22, 2020 a State of Emergency was declared for all the Province of Nova Scotia.

Nature of the emergency:

The COVID-19 virus, which has caused a pandemic, is in the Province and that event requires prompt coordinated action or regulation for the protection of property and for the health and safety of persons in Nova Scotia.

I am satisfied that an emergency, as defined in clause 2(b) of Chapter 8 of the Acts of 1990, the *Emergency Management Act*, continues to exist or may exist in the Province.

While under a Provincial State of Emergency, I may require any or all of the actions specifically listed under clauses 14(a) to (m) of the *Emergency Management Act*, or anything else I determine is necessary for the protection of property and the health or safety of persons in the Province.

The Directions issued from March 22, 2020 until today shall continue in place under this renewal unless terminated or changed by me in writing. Further Directions may be issued and posted for the public throughout the State of Emergency.

This renewed Declaration, and the associated Directions, are in addition to and do not replace any Orders issued by the Medical Officer of Health under Section 32 of Chapter 4 of the Acts of 2004, the *Health Protection Act* 2004.

This State of Emergency was previously renewed from April 5 to April 19, from April 19 to May 3, from May 3 to May 17, from May 17 to May 31, from May 31 to June 14, from June 14 to June 28, from June 28 to July 12, from July 12 to July 26, from July 26 to August 9, from August 9 to August 23, from August 23 to September 6, from September 6 to September 20, from September 20 to October 4, from October 4 to October 18, from October 18 to November 1, from November 1 to November 15, and from November 15, 2020 to November 29, 2020.

With the approval of Governor in Council, I hereby further renew the declaration of a State of Emergency for all of the Province to continue on and after 12:00 pm (noon) on Sunday, November 29, 2020.

If this Declaration is not renewed or terminated earlier, the State of Emergency remains in effect until 14 days after the date and time it is declared, which is until 12:00 pm (noon) on Sunday, December 13, 2020.

Administrative Decisions

Nova Scotia Department of Fisheries and Aquaculture *Fisheries and Coastal Resources Act, S.N.S. 1996, c. 25*

The Nova Scotia Department of Fisheries and Aquaculture invites members of the public to provide written comment on applications for Aquaculture Licences and Leases. Selected details of the application(s) are as follows, with further information also found at <http://novascotia.ca/fish/aquaculture/public-information/>.

Bowline Incorporated
 AQ#1346
 Renewal Application

Location: Mabou Harbour, Inverness County
Type: Marine
Size: 4.50 HA
Cultivation Method: Suspended cultivation and bottom cultivation without gear
Species: American oyster
Proposed Term: 10-year license/20-year lease
Submission Period: November 5, 2020 to December 4, 2020
Summary of Application: Bowline Incorporated is requesting a renewal of the licence and lease for AQ#1346. The site was first licensed in 2011. The renewal application indicates that the planned development of the site will not represent any change in methodology or the type and configuration of gear to be used.

**James Doucette (assignor) and
 Andrew Thompson, Jeremy
 Webb (assignee)**
 AQ#1363
 Reallocation Application

Location: Caribou Harbour, Pictou County
Type: Marine
Size: 5.00 HA
Cultivation Method: Bottom cultivation without gear
Species: American oyster
Submission Period: December 3, 2020 to January 1, 2021
Summary of Application: Lease # 1363 is a 5 hectare lease approximately 3kms west of the Caribou Ferry Terminal, on the south side of the Caribou Harbour. There is a separate amendment application in progress to include bottom cultivation method with gear, which a separate notice for public comment will be posted. The location of the lease is optimum as it does not border up on the shoreline, not impeding any access to public. Currently there are no homeowners situated on the land adjacent to the lease, making impact with the public to a minimum. The lease location does not interfere with public boating as it located on the south side of harbour, away from main boating channels in Caribou. Minimum impacts with public are expected to continue. The lease is only accessible by boat. With this request being fulfilled it will create steady employment for the assignees, who will be working on the lease themselves in the initial stages of the lease, with potential to hire one position as employment to work in conjunction with them in the future.

Mike Cameron
AQ#1036
Amendment Application

Location: MacKenzie Settlement, Truro, Colchester County
Type: Land-based
Current Cultivation Method: Land-based
Current Species: American oyster
Proposed Amendment: Authorize cultivation of Eel (*Anguilla rostrate*)
Submission Period: December 3, 2020 to January 1, 2021
Summary of Application: Mike Cameron is requesting an amendment to the existing aquaculture licence for AQ#1036. This site was first licensed in 1997 for the land-based cultivation of Rainbow trout, Speckled trout and Arctic char. Amended in December 2000 to add Atlantic salmon and in October 2019 to add Striped bass. AQ#1036 currently operates as a flow-through fish hatchery on the North River. The facility has the ability to also make use of well-water and recirculation. The applicant holds a valid Water Withdrawal Approval from the Nova Scotia Department of the Environment (expiration date of March 13, 2029). The intended source of eels are wild-caught eels harvested from coastal bays and river mouths around Eastern Prince Edward Island and the Tracadie River in New Brunswick.

Philip Docker
AQ#1369
Amendment Application

Location: Cameron's Cove, Merigomish Harbour, Pictou County
Type: Marine
Current Size: 22.85 HA
Current Cultivation Method: Bats on bottom and Bottom culture
Current Species: American oyster, Bay quahog, Bay Scallop
Proposed Term Amendment: Authorize Suspended Shellfish Method and Authorize the cultivation of Razor clam
Submission Period: November 5, 2020 to December 4, 2020
Summary of Application: Philip Docker is requesting an amendment to the licence and lease for AQ#1369. This site was first licensed in 2012 for the bottom shellfish aquaculture with gear of American oyster, Bay quahog and Bay scallop.

The intent of this amendment application is to further develop the site by adding Razor clams and adding suspended culture methods. Should the application not be approved, the applicant will be required to adhere to the current licensing and leasing provisions in place.

**Direction of the Minister under a
Declared State of Emergency**
(Section 14 of the *Emergency Management Act*)
(20-014)

During the Provincial State of Emergency I declared Province-wide on March 22, 2020, having satisfied myself that it is necessary for the protection of property and the health or safety of persons in the Province, and under the authority provided to me in Section 14 of the *Emergency Management Act*, I direct as follows:

**PART I
RENOVICTION OF TENANTS**

1. For the purpose of this Direction, a “renoviction” means a renovation undertaken by a residential landlord to residential premises, or a building containing residential premises, that will require the tenant to vacate the premises,
 - (a) effective **on and after September 1, 2020**, a residential landlord is prohibited from giving a notice to quit under the *Residential Tenancies Act* to a tenant for a renoviction,
 - (b) effective **on and after September 1, 2020**, any notice to quit given by a residential landlord to a tenant for a renoviction is void,
 - (c) effective **on and after the date of this Direction**, a residential tenancy officer, or on appeal the Small Claims Court, must not make an order terminating a tenancy or order the tenant to vacate the residential premises for a renoviction.

**PART II
RENT INCREASE CAP**

2. Effective **on and after September 1, 2020**,
 - (a) all residential landlords are prohibited from increasing the rent payable by an existing tenant by an amount that is more than 2% above the amount that was payable by the tenant immediately before September 1, 2020, and
 - (b) if a residential landlord gave a notice of rent increase that was effective on or after September 1, 2020, any amount of the rent increase that

is more than the amount referred to in clause (a) is also prohibited, and any prohibited amount collected by the landlord must be treated as an overpayment of rent that must be dealt with as follows:

- (i) if the tenant still resides in the residential premises and there are one or more rental periods left under the lease, the landlord must apply the overpayment as a credit against the next rent payment that is due, and if there is any overpayment amount left after the next rent payment is due, the remaining overpayment must be applied as a credit to subsequent rent payments until the overpayment has been credited in full; or
 - (ii) if the tenant no longer resides in the residential premises, or if there is no longer any outstanding rent due from the tenant for subsequent rental periods, the landlord must reimburse the full amount of the overpayment to the tenant.
3. (1) For any new tenancy commencing on and after December 1, 2020, a residential landlord is prohibited from charging the new tenant an amount of rent that is more than 2% above the amount of rent that was payable by the previous tenant for the same residential premises.
- (2) Subsection (1) does not apply to either of the following:
- (a) residential premises being offered for rent for the first time;
 - (b) residential premises that were vacant for renovations immediately before the **date of this Direction** and that are being newly offered for rent after the completion of the renovations.
4. Sections 2 and 3 of this Direction do not apply to a rent increase in a land-lease community that complies with Section 11B of the *Residential Tenancies Act*.

This Direction is in addition to any requirements established in a Medical Officer's order under the *Health Protection Act*, and any other Directions issued under the *Emergency Management Act*.

A failure to comply with this Direction could result in a summary conviction with fines between \$500 to \$10,000 for individuals and up to \$100,000 for a corporation per incident.

Unless it is terminated in writing, this Direction will remain in place for the shorter of the following periods of time:

- (i) until 8:30 am on **February 1, 2022**, or
- (ii) for the duration of the Provincial State of Emergency, including any renewal periods made by the Minister and approved by Governor in Council under Section 19 of the *Emergency Management Act*.

Dated November 25, 2020

original signed by

Honourable Chuck Porter
Minister of Municipal Affairs and Housing

Direction of the Minister
under a Declared State of Emergency
(Section 14 of the *Emergency Management Act*)
(20-014R)

Under my authority in Section 14 of the *Emergency Management Act*, I order that this Direction (20-014R) repeal and replace the Direction (20-014) regarding tenant protections issued on November 25, 2020.

During the Provincial State of Emergency I declared Province-wide on March 22, 2020, having satisfied myself that it is necessary for the protection of property and the health or safety of persons in the Province, and under the authority provided to me in Section 14 of the *Emergency Management Act*, I direct as follows:

PART I
RENOVICTION OF TENANTS

1. For the purpose of this Direction, a “renoviction” means a renovation undertaken by a residential landlord to residential premises, or a building containing residential premises, that will require the tenant to vacate the premises,
 - (a) effective **on and after September 1, 2020**, a residential landlord is prohibited from giving a notice to quit under the *Residential Tenancies Act* to a tenant for a renoviction,
 - (b) effective **on and after September 1, 2020**, any notice to quit given by a residential landlord to a tenant for a renoviction is void,
 - (c) effective **on and after November 25, 2020**, a residential tenancy officer, or on appeal the Small Claims Court, must not make an order terminating a tenancy or order the tenant to vacate the residential premises for a renoviction.

PART II
RENT INCREASE CAP

2. (1) Effective **on and after September 1, 2020**,
 - (a) all residential landlords are prohibited from increasing the rent payable by an existing tenant by an amount that is more than 2% above the amount that was payable by the tenant immediately before September 1, 2020, and

(b) if a residential landlord gave a notice of rent increase that was effective on or after September 1, 2020, any amount of the rent increase that is more than the amount referred to in clause (a) is also prohibited, and any prohibited amount collected by the landlord must be treated as an overpayment of rent that must be dealt with as follows:

(i) if the tenant still resides in the residential premises and there are one or more rental periods left under the lease, the landlord must apply the overpayment as a credit against the next rent payment that is due, and if there is any overpayment amount left after the next rent payment is due, the remaining overpayment must be applied as a credit to subsequent rent payments until the overpayment has been credited in full; or

(ii) if the tenant no longer resides in the residential premises, or if there is no longer any outstanding rent due from the tenant for subsequent rental periods, the landlord must reimburse the full amount of the overpayment to the tenant.

(2) For greater certainty, subsection (1) applies to a landlord who enters into a new fixed-term lease with an existing tenant for the same residential premises.

3. Section 2 of this Direction does not apply to a rent increase in a land-lease community that complies with Section 11B of the *Residential Tenancies Act*.

This Direction is in addition to any requirements established in a Medical Officer's order under the *Health Protection Act*, and any other Directions issued under the *Emergency Management Act*.

A failure to comply with this Direction could result in a summary conviction with fines between \$500 to \$10,000 for individuals and up to \$100,000 for a corporation per incident.

Unless it is terminated in writing, this Direction will remain in place for the shorter of the following periods of time:

(i) until 8:30 am on **February 1, 2022**, or

(ii) for the duration of the Provincial State of Emergency, including any renewal periods made by the Minister and approved by Governor in Council under Section 19 of the *Emergency Management Act*.

1. A qualified firefighter, who must be employed with Halifax Regional Municipality and have completed the training and been deemed ready to carry out swabbing under the Nova Scotia Health Authority's training program, is authorized to render aid by conducting swabbing for COVID-19.

WHEREAS I am the Chief Medical Officer of Health for the Province of Nova Scotia and am of the opinion, upon reasonable and probable grounds, that

- (a) a communicable disease (COVID-19) exists; and that there is an immediate risk of an outbreak of the communicable disease;

- (c) the requirements specified in the order are necessary to decrease or eliminate the risk to the public health presented by the communicable disease, and;

WHEREAS as the Chief Medical Officer of Health, I have determined it necessary to issue this Order to the Class of Persons to decrease the risk to public health presented by COVID-19.

Please be advised that:

I, Dr. Robert Strang, Chief Medical Officer of Health, **order** the following:

PART I ISOLATION AND QUARANTINE REQUIREMENTS

1. In this Order,

- (a) “self-isolate” means the requirement of any person who has COVID-19 to remain separate from others in such places and under such conditions to prevent or limit the direct or indirect transmission of COVID-19; and

(b) “self-quarantine” means the requirement of any person who has been exposed or may have been exposed to COVID-19 during its period of communicability to restrict that person’s activities in order to prevent disease transmission during the incubation period for this disease.

2. Effective July 3, 2020, all persons residing in or present in the Province of Nova Scotia who:

2.1 have travelled outside the Atlantic Provinces or Canada, or reside in the same household of a person who has travelled outside the Atlantic Provinces or Canada; or

2.2 are identified as a close contact of a person who has or has been diagnosed with COVID-19; or

2.3 are identified as a person diagnosed with COVID-19; or

2.4 have been tested for COVID-19 due to the presence of symptoms or as directed by public health and are awaiting the results of their test,

must:

(a) self-quarantine or self-isolate, for:

(i) the period commencing on the day of entry into Nova Scotia, or

(ii) the first day of close contact, or first day of symptoms, testing, diagnosis, and continuing thereafter for 14 consecutive days or as directed by a Medical Officer of Health, or

(iii) the period commencing on the first day they reside with the person who travelled outside the Atlantic Provinces or Canada and continuing thereafter for 14 consecutive days or as directed by a Medical Officer of Health.

For greater certainty, this includes remaining in your residence or residence grounds and otherwise removing yourself from the presence of others in public while you may be infectious during the 14-day period, so that all precautions necessary to protect others are in place. Specifically, do not enter any buildings, public transportation, or other enclosed spaces (other than your residence) where other people are present.

(b) During the 14-day period, conduct yourself in such a manner as not to in any way expose any other person to infection or potential infection from COVID-19, and follow all infection control instructions given to you on the Government of Nova Scotia’s website, at: <https://novascotia.ca/coronavirus/>, or given to you by Telehealth 811 staff, public health staff or any other staff of a healthcare facility to which you may seek or receive treatment.

(c) After the 14-day period in section 2.4(a.) has lapsed, you may cease self isolation or self quarantine if you do not exhibit symptoms of COVID-19.

(d) All persons are encouraged to complete the online assessment tool should you exhibit symptoms of COVID-19.

Notwithstanding the foregoing, persons who receive a negative COVID-19 test result after being referred for testing by the online assessment tool due to the presence of COVID-like symptoms may cease self-quarantine on the date of receipt of the negative test result.

2.4.1 For the purpose of section 2.4.2, “essential travel” means travel to and from Nova Scotia from outside the Atlantic Provinces or Canada that is necessary for:

(a) work carried out by a worker that does not meet the criteria to be classified as a rotational worker, or work that requires the worker to be present at the workplace;

(b) legal custody arrangements that require parents or children to travel for visitation;

(c) essential, specialized health care treatment that is not available in the Atlantic Provinces;

(d) participation in essential legal proceedings outside the Atlantic Provinces when virtual attendance is not possible; and

(e) students studying outside the Atlantic Provinces whose primary or family residence is in Nova Scotia,

but does not include work carried out by workers who are already exempt from the self-quarantine requirements set out in section 2.1, or travel by persons travelling under a compassionate exception granted under this Order.

2.4.2 Notwithstanding section 2.1, persons who reside in the same household of a person who has travelled outside the Atlantic Provinces or Canada for essential travel (the traveller) are not required to self-quarantine if the traveller, during their 14-day period of self-quarantine, meets all of the following criteria:

(a) stays at their place of residence;

(b) has their own separate room in the home (e.g. separate bedroom, basement or attic);

(c) sanitizes their hands before leaving the separate room;

(d) wears a non-medical mask when outside of their separate room;

(e) avoids being in the same space as other household members;

- (f) has their own bathroom or if sharing a bathroom then cleans high touch surfaces (e.g. doorknob, tap, toilet handle, sink, etc.) after each use;
- (g) has food and beverages prepared by others and accesses them in a non-contact manner;
- (h) does not share dishes, drinking glasses, cups, eating utensils, towels, bedding or other items with others in the home;
- (i) keeps their personal items (e.g. toothbrush, cups, cell phones, tablets, laptops, etc.) separate from those belonging to others; and
- (j) does not share food, drinks or cigarettes or any other items that are put in the mouth.

2.4.3 For greater clarity, a person who travels outside the Atlantic Provinces or Canada for travel that is not essential travel must self-quarantine in accordance with section 2.4(a)-(d).

2.4.4 For greater clarity, persons engaged in essential and non-essential travel must complete the Nova Scotia Safe Check-in form and daily digital check-ins, located at: <https://novascotia.ca/coronavirus/travel/#self-declaration>.

2.5 Notwithstanding section 2.1, persons who are well and showing no symptoms of COVID-19 may enter Nova Scotia for the purposes of facilitating child sharing between parents under an order or agreement providing for joint custody, and in such instances, both the persons facilitating custody and children showing no symptoms of COVID-19 are exempt from the requirement to self-quarantine or self isolate.

2.6 Notwithstanding section 2.1, individuals who are well and showing no symptoms of COVID-19 and are engaged in a legal proceeding in Nova Scotia, whether the accused, victim, witness or party in such proceeding, may enter Nova Scotia for participation in the legal proceeding if the person:

- (a) self-isolates/self-quarantines for the period they are in Nova Scotia other than when they are in court; and
- (b) complies with the physical distancing requirements of 2 metres (6 feet) while in Nova Scotia.

2.9 Notwithstanding section 2.1, persons who are required to travel to Nova Scotia for essential health services and one accompanying support person are exempt from the requirement to self-isolate or self-quarantine.

2.10 For the purpose of section 2.11, “domestic rotational worker” means a person who lives in Nova Scotia and travels to work in another province or territory on a regular schedule.

2.11 Notwithstanding section 2.1, domestic rotational workers must adhere to the self-quarantine requirements established by the Chief Medical Officer of health, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Directive-on-Exceptions-for-Domestic-Rotational-Workers.pdf>.

2.12 Notwithstanding section 2.1, specialized workers required to enter Nova Scotia from outside of Atlantic Canada to perform urgent work that cannot be done by individuals from within the Atlantic provinces must adhere to self-quarantine requirements established by the Chief Medical Officer of Health, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Directive-on-Exceptions-for-Specialized-Workers.pdf>.

3. Workers who are essential to the movement of people and goods, and who must enter Nova Scotia as part of their duty requirements, are exempt from the requirement to self-isolate or self-quarantine set out in section 2.1, particularly:
