The Governor in Council on the report and recommendation of the Minister of Municipal Affairs and Housing, dated November 15, 2021, and pursuant to

subsection 19(2) of Chapter 8 of the Acts of 1990, the *Emergency Management Act*, is pleased to approve the further renewal by the Minister of Municipal Affairs and Housing of the state of emergency declared by the Minister under subsection 12(1) of the *Emergency Management Act* on March 22, 2020, and as previously renewed, as a result of the COVID-19 pandemic, in the form set forth in Schedule “A” attached to and forming part of the Report and Recommendation, effective at noon on February 6, 2022, until noon on February 20, 2022.

**Schedule “A”
 Renewal of Provincial State
 of Emergency by Minister**

(subsection 19(2) of the *Emergency Management Act*)

Emergency area:

On March 22, 2020 a State of Emergency was declared for all the Province of Nova Scotia.

Nature of the emergency:

The COVID-19 virus, which has caused a pandemic, is in the Province and that event requires prompt coordinated action or regulation for the protection of property and for the health and safety of persons in Nova Scotia.

I am satisfied that an emergency, as defined in clause 2(b) of Chapter 8 of the Acts of 1990, the *Emergency Management Act*, continues to exist or may exist in the Province.

While under a Provincial State of Emergency, I may require any or all of the actions specifically listed under clauses 14(a) to (m) of the *Emergency Management Act*, or anything else I determine is necessary for the protection of property and the health or safety of persons in the Province.

The Directions issued from March 22, 2020 until today shall continue in place under this renewal unless terminated or changed by me in writing. Further Directions may be issued and posted for the public throughout the State of Emergency.

This renewed Declaration, and the associated Directions, are in addition to and do not replace any Orders issued by the Medical Officer of Health under Section 32 of Chapter 4 of the Acts of 2004, the *Health Protection Act*.

This State of Emergency was previously renewed every 14 days for the year period from April 5, 2020 to-April 18, 2021, and then from April 18 to May 2, from May 2-16, from May 16-30, from May 30 to June 13, from June 13-27, from June 27 to July 11, from July 11-25, from July 25 to August 8, from August 8-22, from August 22 to September 5, from September 5-19, from September 19 to October 3, from October 3-17, from October 17-31, from October 31 to November 14, from November 14-28, from November 28 to December 12, from December 12 to 26, from December 26, 2021 to January 9, 2022, from January 9-23 and from January 23, 2022 to February 6, 2022.

With the approval of Governor in Council, I hereby further renew the declaration of a State of Emergency for all of the Province to continue on and after **12:00 pm (noon) on Sunday, February 6, 2022.**

If this Declaration is not renewed or terminated earlier, the State of Emergency remains in effect until 14 days after the date and time it is declared, which is **until 12:00 pm (noon) on Sunday, February 20, 2022.**

Dated November 15, 2021, at Halifax, Nova Scotia,

John Lohr
Minister of Municipal Affairs and Housing

RG February 9, 2022

IN THE MATTER OF: The *Emergency Management Act*, S.N.S. 1990, c. 8

**Direction of the Minister under a
Declared State of Emergency**
(Section 14 of the *Emergency Management Act*)
(22-003)

During the Provincial State of Emergency declared Province-wide on March 22, 2020 by the Minister of Municipal Affairs and Housing, having satisfied myself that it is necessary for the protection of property and the health or safety of persons in the Province, and under the authority provided to me in Section 14 of the *Emergency Management Act*, including specifically under clause (d) to control or prohibit travel to or from an area or on a road, street or highway, I direct as follows:

ROAD BLOCKADE BAN

1. Effective **on and after February 4, 2022**, all persons are prohibited from stopping, parking, or operating a vehicle or putting any item in such a manner as to create or contribute to a partial or complete blockade of the normal flow of vehicle traffic on a road, street or highway in the Province, including municipal roads, streets and highways.

2. The prohibitions in Section 1 do not apply to
 - (i) Provincial or municipal workers, or the vehicles used while engaged in sanctioned highway maintenance and repairs, or
 - (ii) law enforcement officers while on duty.

This Direction is in addition to any requirements established in a Medical Officer's order under the *Health Protection Act*, and any other Directions issued under the *Emergency Management Act*.

A failure to comply with this Direction could result in a summary conviction with fines between \$3,000 to \$10,000 for individuals and between \$20,000 to \$100,000 for a corporation per incident.

This Direction will remain in place for the duration of the Provincial State of Emergency, including any renewal periods made by the Minister and approved by Governor in Council under Section 19 of the *Emergency Management Act*, unless it is terminated earlier in writing.
