IN THE MATTER OF: The *Emergency Management  
 Act*, S.N.S. 1990, c. 8 - and - **Renewal of Provincial  
 State of Emergency by Minister** (s. 19(2))

**Emergency area:**

On June 1, 2023, a State of Emergency was declared for  
 the area around and including Pisiquid Lake, Windsor,  
 Hants County in the Province of Nova Scotia.

**Nature of the emergency:**

Nova Scotia experienced unprecedented wildfire activity  
 in May 2023. Out of control wildfires damaged homes  
 and destroyed large tracks of land. The fire suppression  
 resources in the emergency area were inadequate for a  
 large fire event. The Provincial government had to  
 monitor the availability of essential water resources in the  
 Hants County area for fire suppression purposes. These  
 circumstances require the continuation of prompt  
 coordinated action or regulation for the protection of  
 property and for the health and safety of persons in the  
 emergency area.

I am satisfied that an emergency, as defined in clause 2(b)  
 of Chapter 8 of the Acts of 1990, the *Emergency  
 Management Act*, continues to exist or may exist in the  
 Province and requires the further continuation of the state  
 of emergency in the emergency area identified above.

While under a Provincial State of Emergency, I may  
 require any or all of the actions specifically listed under  
 clauses 14(a) to (m) of the *Emergency Management Act*,  
 or anything else I determine is necessary for the  
 protection of property and the health or safety of persons  
 in the Province.

The Directions issued from June 1, 2023, until today shall  
 continue in place under this renewal unless terminated or  
 changed by me in writing. Further Directions may be  
 issued and posted for the public throughout the State of  
 Emergency.

This State of Emergency was previously renewed from  
 June 15-29, June 29 - July 13, July 13 - 27, July 27 -  
 August 10, August 10-24, August 24 -September 7,  
 September 7-21, September 21 – October 5, October 5-  
 19, and from October 19, 2023 - November 2, 2023.

With the approval of Governor in Council, I hereby  
 further renew the declaration of a State of Emergency for  
 the emergency area identified above to continue on and  
 after 8:00 pm on **Thursday, November 2, 2023**.

If this Declaration is not renewed or terminated earlier,  
 the State of Emergency remains in effect until 14days  
 after the date and time it is declared, which is until 8:00  
 pm on **Thursday, November 16, 2023**.

The applicant wishes to relocate a portion of the site to the Northern shoreline of Donalds Island, extending Westward. There are no changes proposed to the method of cultivation or species. The overall size of the site would remain the same. The applicant has stated that the wind and sea wave patterns have been observed to be changing over the past 2 decades and the attachment from
