 Hayley Clarke, Registrar

IN THE MATTER OF: The *Emergency Management Act*, S.N.S. 1990, c. 8 – and – The **Renewal of Provincial State of Emergency by Minister** (s.19(2))

Emergency area:

On June 1, 2023, a State of Emergency was declared for the area around and including Pisiquid Lake, Windsor, Hants County in the Province of Nova Scotia.

Nature of the emergency:

Nova Scotia experienced unprecedented wildfire activity in May 2023. Out of control wildfires damaged homes and destroyed large tracks of land. The fire suppression resources in the emergency area were inadequate for a large fire event. The Provincial government has to monitor the availability of essential water resources in the Hants County area for wildfire and fire suppression purposes. These circumstances require the continuation of prompt coordinated action or regulation for the protection of property and for the health and safety of persons in the emergency area.

I am satisfied that an emergency, as defined in clause 2(b) of Chapter 8 of the Acts of 1990, the *Emergency Management Act*, continues to exist or may exist in the Province and requires the further continuation of the state of emergency in the emergency area identified above.

While under a Provincial State of Emergency, I may require any or all of the actions specifically listed under clauses 14(a) to (m) of the *Emergency Management Act*, or anything else I determine is necessary for the protection of property and the health or safety of persons in the Province.

The Directions issued from June 1, 2023, until today shall

continue in place under this renewal unless terminated or changed by me in writing. Further Directions may be issued and posted for the public throughout the State of Emergency.

This State of Emergency was previously renewed every second Thursday for a 14-day period from June 15, 2023, to **February 12, 2026 at 8:00pm.**

With the approval of Governor in Council, I hereby further renew the declaration of a State of Emergency for the emergency area identified above to continue on and after 8:00 pm on **Thursday, February 12, 2026.**

If this Declaration is not renewed or terminated earlier, the State of Emergency remains in effect until 14 days after the date and time it is declared, which is until 8:00 pm on **Thursday, February 26, 2026.**

Dated February 12, 2026, at Halifax, Nova Scotia,

Honourable Kim Masland
Minister of Emergency Management

IN THE MATTER OF: The *Partnerships and Business Names Registration Act*, R.S.N.S. 1989, c. 335

NOTICE is hereby given pursuant to Section 16 of the *Partnerships and Business Names Registration Act* ("the Act"), that the following Partnerships have made default in payment of the annual registration fee due and the Certificates of Registration issued to each of them under the Act are hereby revoked by the Registrar of Joint Stock Companies as of January 16, 2025.

Terms and Conditions of Submitting a Written Public Comment:

For your written submission to be considered, you must:

1. Submit your written comment within 30 days of the notice being published. The 30-day submission period is provided above;
2. Include your full name and the following contact information: Mailing address, civic address (if different from your mailing address), phone number, email address;
3. Comply with the terms applicable to the use of Government of Nova Scotia websites (a copy of those terms are available online at <https://www.novascotia.ca/terms>);
4. Describe how you, the person making the written comment, are specifically connected with the matter to be determined; and
5. Ensure that your written comment is in reference to the optimum use of marine resources, as determined by one or more of the following factors:
 - a. The contribution of the proposed operation to community and Provincial economic development;
 - b. Fishery activities in the public waters surrounding the proposed aquacultural operation;
 - c. The oceanographic and biophysical characteristics of the public waters surrounding the proposed aquacultural operation;
 - d. The other users of the public waters surrounding the proposed aquacultural operation;
 - e. The public right of navigation;
 - f. For marine finfish applications, the sustainability of wild salmon; and
 - g. The number and productivity of other aquaculture sites in the public waters surrounding the proposed aquacultural operation.

Note: A written public comment is one that is created by you, in your own words, for the purpose of the application under consideration. Examples of unacceptable submissions include, but are not limited to, photographs, images, tables, figures, website links, reports, quotes from other sources, charts and graphs.

By submitting your written comment with respect to an application, you are giving the Department of Fisheries and Aquaculture (the "Department") consent to post your written comment to the Department's website, along with your full name, city and province (your street address, email address and phone number will be removed or redacted).

Comments received from the public that meet the above

terms and conditions shall be posted on the Department's website either as a separate report or as a supplement to a decision document.

How to Submit a Written Public Comment:
