Output-Based Pricing System Registration and Opt-in Regulations

Order in Council 2023-35 dated February 7, 2023
Regulations made by the Governor in Council
pursuant to Section 112ZJ of the *Environment Act*

The Governor in Council on the report and recommendation of the Minister of Environment and Climate Change dated December 16, 2022, and pursuant to Section 112ZJ of Chapter 1 of the Acts of 1994-95, the *Environment Act*, is pleased to make regulations respecting an output-based pricing system registration and opt-in designation for facilities under Part XIB of the Act, in the form set forth in Schedule “A” attached to and forming part of the report and recommendation, effective on and after January 1, 2023.

Schedule “A”

**Regulations Respecting an Output-Based Pricing System Registration and Opt-in
made by the Governor in Council under Section 112ZJ
of Chapter 1 of the Acts of 1994-95,
the *Environment Act***

Citation

1 These regulations may be cited as the *Output-Based Pricing System Registration and Opt-in Regulations*.

Definitions

2 In these regulations,

“Act” means the *Environment Act*;

“Minister” means the Minister of Environment and Climate Change;

“year” means a calendar year.

Establishment of output-based pricing system

3 An output-based pricing system is hereby established in accordance with Section 112S of the Act.

Designation of opted-in facility

- 4 (1) For the purposes of Section 112U of the Act, the owner or operator of an industrial facility that emits 10 000 tonnes or more but less than 50 000 tonnes of carbon dioxide equivalent of greenhouse gases in any of the 3 years immediately before January 1, 2023, or in any subsequent year, may apply to the Minister to have the industrial facility designated as an opted-in facility in accordance with Section 5.
- (2) An application for designation must be made in the form and manner established by the Minister and include any documentation the Minister requires.
- (3) If the Minister is satisfied that an application for designation meets the requirements of this Section and Section 5, the Minister must designate the facility as an opted-in facility.
- (4) If the Minister refuses an application for designation, the Minister must give written notice to the applicant that includes all of the following:

- (a) the reasons for the refusal;
 - (b) a statement that the applicant may, no later than 5 business days after the date the notice was given, submit comments in writing to the Minister respecting the refusal.
- (5) After considering any comments received from an applicant within the time specified in the notice under subsection (4), the Minister must do 1 of the following:
- (a) give the applicant written notice that the facility has been designated as an opted-in facility;
 - (b) give the applicant written notice of the Minister's refusal to designate the facility as an opted-in facility.

Effective date for opt-in designation

- 5 (1) If designated by the Minister under subsection 4(3), an application submitted in accordance with Section 4 on or before April 1, 2023, is deemed to have been designated on January 1, 2023.
- (2) For a designation in any subsequent year, an application must be submitted in accordance with Section 4 on or before September 1 of the year before the year in which the designation is intended to be effective.

Registration of regulated facility

- 6 (1) For the purposes of Section 112V of the Act, and unless exempted by these regulations, the owner or operator of a regulated facility must apply to the Minister for registration of the regulated facility in accordance with the following deadlines:
- (a) for designation during the 2023 year, on or before April 1, 2023;
 - (b) for each subsequent year, by September 1 of the year after the year in which the facility first has a total quantity of regulated emissions of 50 000 tonnes or more of carbon dioxide equivalent of greenhouse gases.
- (2) Despite clauses (1)(a) and (1)(b), the owner or operator of an opted-in facility must apply for registration of the opted-in facility no later than 15 business days after the date the facility is designated as an opted-in facility under Section 4.
- (3) Despite subsection (2) and the effective date under subsection 5(1), the owner or operator of an opted-in facility who receives its designation in accordance with subsection 5(1) is deemed to have complied with subsection (2) if they apply for registration of the opted-in facility under Section 4 within business 15 days of the date they received their designation.
- (4) If the owner and operator of a regulated facility are different persons, only 1 registration is required for the regulated facility.
- (5) An application for registration must be made in the form and manner established by the Minister and include any documentation the Minister requires.
- (6) If the Minister is satisfied that the application for registration meets the requirements of this Section, the Minister must register the regulated facility.
- (7) If the Minister refuses an application for registration, the Minister must give written notice to the applicant that includes all of the following:

- (a) the reasons for the refusal;
 - (b) a statement that the applicant may, no later than 5 business days after the date the notice was given, submit comments in writing to the Minister respecting the refusal.
- (8) After considering any comments received from an applicant within the time specified in the notice under subsection (7), the Minister must do 1 of the following:
- (a) give the applicant written notice that the facility has been registered;
 - (b) give the applicant written notice of the Minister's refusal to register the facility.
- (9) If an application for registration is refused and the applicant wishes to re-apply, the applicant must apply in accordance with the directions of the Minister.
- (10) The owner or operator of a regulated facility must notify the Minister in writing of any changes in the information submitted for the purposes of registration and provide updated information to the Minister no later than 30 days after the date of the change in information.

Removal from registration for regulated facility

- 7 (1) Upon application by the owner or operator of a regulated facility, the Minister may order that the regulated facility be removed from registration if the total quantity of regulated emissions by the regulated facility is less than 50 000 tonnes of carbon dioxide equivalent of greenhouse gases in each of the 3 consecutive years before the date of the application.
- (2) An application under subsection (1) may be made after the greenhouse gas emissions report required under Section 112X of the Act is submitted to the Minister.
- (3) The Minister may impose terms and conditions on an order under subsection (1) that may include exemptions from any requirement of the Act, the regulations and the standards, and the Minister may amend the terms and conditions imposed.
- (4) The owner or operator of a regulated facility must comply with all terms and conditions imposed by the Minister.
- (5) If a regulated facility is exempt from the requirement to register, the Minister may order that the regulated facility be removed from registration and the Minister must provide written notice of the removal to the owner or operator of the regulated facility.

Re-registration for regulated facility

- 8 (1) The owner or operator of a regulated facility that has been removed from registration under Section 7 must re-register the facility in accordance with Section 112V of the Act if the regulated facility has a total quantity of regulated emissions of 50 000 tonnes or more of carbon dioxide equivalent of greenhouse gases in any year after the removal.
- (2) An order made by the Minister under Section 7 will be revoked upon the re-registration of a regulated facility.
- (3) Clause 6(1)(a) and subsections 6(4) to (10) apply with the necessary changes in detail to a re-registration required under subsection (1).

Hospital Insurance Regulations—amendment

Order in Council 2023-45 dated February 7, 2023
Amendment to regulations made by the Governor in Council
pursuant to Section 17 of the *Health Services and Insurance Act*

The Governor in Council on the report and recommendation of the Minister of Health and Wellness dated October 11, 2022, and pursuant to Section 17 of Chapter 197 of the Revised Statutes of Nova Scotia, 1989, the *Health Services and Insurance Act*, is pleased to amend the *Hospital Insurance Regulations*, N.S. Reg. 11/1958, made by the Governor in Council on December 1, 1958, in the manner set forth in Schedule “A” attached to and forming part of the report and recommendation, effective on and after February 7, 2023.

Schedule “A”

**Amendment to the *Hospital Insurance Regulations*
made by the Governor in Council under Section 17
of Chapter 197 of the Revised Statutes of Nova Scotia, 1989,
the *Health Services and Insurance Act***

Sections 7, 7.1, 7.2 and 8 of the *Hospital Insurance Regulations*, N.S. Reg. 11/1958, made by the Governor in Council on December 1, 1958, are repealed and the following Section substituted:

Insured services outside the Province

- 7 (1) Subject to subsection (2), the Minister may pay for a resident, or reimburse a resident for the costs incurred by the resident, for all of the following:
- (a) to receive medically necessary in-patient services, out-patient services or insured professional services outside the Province;
 - (b) to travel and obtain accommodation and food for the purposes of receiving medically necessary in-patient services, out-patient services or insured professional services outside the Province;
 - (c) to be accompanied by 1 or more persons for the purposes of receiving medically necessary in-patient services, out-patient services or insured professional services outside the Province.
- (2) The Minister may make the payment or reimbursement described in subsection (1) only if all of the following conditions are met:
- (a) before the resident receives the in-patient services, out-patient services or insured professional services, the Minister approves all of the following in writing:
 - (i) the in-patient services, out-patient services or insured professional services to be received by the resident,
 - (ii) the facility where the resident will receive the in-patient services, out-patient services or insured professional services,

- (iii) the costs of all of the following:
 - (A) the in-patient services, out-patient services or insured professional services,
 - (B) travel, accommodation and food,
 - (C) the person or persons to accompany the resident;
- (b) a physician who holds a relevant specialty approved by the Minister and who has treated the resident provides the Minister with a referral, in form and content acceptable to the Minister, for the resident to receive the services.
- (3) Despite subsection (2), the Minister may waive the requirement for the Minister's prior approval, and the requirement for a specialist referral, or both, for payment or reimbursement under clause (1)(a) if the services are received by the resident in Canada.
- (4) The Minister may pay for a resident, or reimburse a resident for the costs incurred by the resident, to receive in-patient services, out-patient services or insured professional services outside the Province if the services are medically necessary because of an accident or sudden attack of illness, and the Minister has determined that the payment or reimbursement is reasonable.
- (5) Despite subsection (4), the Minister must not pay for a resident, or reimburse a resident for the costs incurred by the resident, to receive out-patient services in the circumstances described in subsection (4) outside Canada.
- (6) To determine whether to grant the approval required by subsection (2) or whether a payment or reimbursement is reasonable under subsection (4), the Minister may require the recipient or any other person to provide any information, record or supporting document.
- (7) The Minister may establish maximum amounts to be paid or reimbursed under this Section.
- (8) The Minister must not make a payment or reimbursement under this Section in relation to services received outside Canada if the claim is received by the Minister more than 6 months after the later of the following dates:
 - (a) the date the resident received the services; or
 - (b) if the resident has been admitted to a hospital, the date of discharge from the hospital.
- (9) Despite subsection (8), the Minister may make a payment or reimbursement under this Section in relation to services received outside Canada if the claim is received after the time period described in subsection (8) if all of the following apply:
 - (a) the conditions of subsection (2) are met;
 - (b) the Minister considers it reasonable to make a payment or reimbursement for the services.
- (10) The Minister must not make a payment or reimbursement under this Section for services received in Canada if the amount is greater than the amount specified for the service in the applicable inter-provincial agreement or agreements regarding rates or charges for insured health services.
