REGISTRAR OF REGULATIONS

**In the matter of Section 113 of Chapter 20 of the Acts of 2025,
the *Traffic Safety Act***

-and-

**In the matter of new regulations respecting the alcohol ignition interlock program
made by the Minister of Public Works**

Order

I, Fred Tilley, Minister of Public Works for the Province of Nova Scotia, pursuant to Section 113 of Chapter 20 of the Acts of 2025, the *Traffic Safety Act*, hereby make new regulations respecting the alcohol ignition interlock program in the form set forth in the attached Schedule "A".

This order is effective on and after the date that Chapter 20 of the Acts of 2025, the *Traffic Safety Act*, comes into force.

Dated and made September 8, 2026, at Halifax Regional Municipality, Province of Nova Scotia.

Honourable Fred Tilley
Minister of Public Works

Schedule “A”

Regulations Respecting the Alcohol Ignition Interlock Program made by the Minister of Public Works under Section 113 of Chapter 20 of the Acts of 2025, the *Traffic Safety Act*

1 Citation

These regulations may be cited as the *Alcohol Ignition Interlock Program Regulations*.

2 Interpretation

(1) In these regulations,

“Act” means the *Traffic Safety Act*;

“Addiction Services” means an addiction services office operated by the Nova Scotia Health Authority as a health service as defined in the *Health Authorities Act*;

“alcohol interlock device” means a breath alcohol screening device that is installed in a motor vehicle and intended to prevent the starting of the vehicle motor if it detects a blood alcohol concentration over a pre-set limit;

“applicant” means an individual applying either to participate in the Program or be released from the Program;

“approval sticker” means a sticker attached to an alcohol interlock device by an authorized individual to identify the device as an approved device;

“approved device” means an alcohol interlock device provided by an authorized service provider for use in the Program and identified by an approved sticker;

“authorized individual” means an employee or agent of an authorized service provider who is authorized to install, maintain, monitor and remove approved devices;

“authorized service provider” means a person who has an agreement with the Minister to provide approved devices, the services of authorized individuals and Program support;

“*Criminal Code*” means the *Criminal Code* (Canada);

“Driving While Impaired Program” means the Driving While Impaired Program prescribed in the *Driver Licensing Requirements Regulations* made under the Act for the purpose of a requirement by the Registrar under clause 103(c) or 109(2)(c) of the Act for an individual to attend and successfully complete a prescribed course or program;

“equipped vehicle” means a motor vehicle that is equipped with an approved device;

“high-risk 1st offender” means an individual who meets both of the following criteria:

- (i) their driving privilege has been suspended for the 1st time for an offence described in item 3 of the mandatory suspension table that involved alcohol,
- (ii) they are considered to be a high risk when assessed under the Driving While Impaired Program;

“interlock restriction” means a restriction added to a driver’s licence by the Registrar to limit the holder of the licence to driving 1 or more specified equipped vehicles under the Program;

“mandatory suspension table” means the Table of Mandatory Suspension Periods for Specified Offences in Schedule A of the *Offences, Penalties and Mandatory Suspension Periods Regulations* made under the Act;

“participant” means an individual who is accepted into or required to participate in the Program;

“Program” means the Alcohol Ignition Interlock Program prescribed in Section 3;

“report of medical fitness” means a report of medical fitness as defined in the *Driver Licensing Requirements Regulations* made under the Act;

“suspension period” means the applicable mandatory suspension period set out in the mandatory suspension table.

- (2) A reference in these regulations to a suspension includes a reference to a revocation under the former Act.
- (3) For the purpose of these regulations, whether a suspension is a 2nd, 3rd, 4th or subsequent suspension is determined in accordance with column 3 of the mandatory suspension table that corresponds to the relevant offence in column 2.

3 Alcohol Ignition Interlock Program continued and prescribed

- (1) The Alcohol Ignition Interlock Program established under the former Act and its regulations is continued under these regulations.

- (2) An individual whose driving privilege was suspended under the Act or the former Act and whose suspension was subject under either Act or its regulations to a reinstatement requirement to participate in the Program continues to be suspended subject to the reinstatement requirement to participate in the Program set out in these regulations.
- (3) The Alcohol Ignition Interlock Program referred to in subsection (1) is prescribed as an ignition interlock program for the purposes of the definition of “ignition interlock program” in Section 2 of the Act.

4 Mandatory and voluntary participation in Program

- (1) An individual whose driving privilege is suspended for the 1st time for a violation of subsection 320.14(1) or 320.15(1) of the *Criminal Code*, if the violation involved alcohol, may apply to the Registrar to participate in the Program.
- (2) Except as provided in subsection (3) for non-residents, any of the following individuals must apply to the Registrar to participate in the Program before they are permitted to apply to have their driving privilege reinstated:
 - (a) a high-risk 1st offender;
 - (b) an individual who has had a 2nd or subsequent suspension of their driving privilege for a violation of any of the following provisions of the *Criminal Code*:
 - (i) subsection 320.14(1), if the violation involved alcohol,
 - (ii) subsection 320.15(1), if the violation involved alcohol,
 - (iii) subsection 320.18(1), if the prohibition was for an alcohol-related offence;
 - (c) an individual whose driving privilege has been suspended for a violation of subsection 320.14(2) or (3) or 320.15(2) or (3) of the *Criminal Code* that involved alcohol;
 - (d) an individual whose driving privilege has been suspended for a violation of section 320.14 or 320.15 of the *Criminal Code* that involved alcohol, and who is subject to an additional period of suspension under Section 314 of the Act;
 - (e) an individual required to participate in the Program under clause 87(2)(d), 103(d) or 109(2)(d) of the Act;
 - (f) an individual whose driving privilege has been suspended under the Act or the former Act and under that suspension continues to be subject to a reinstatement requirement to participate in the Program.

- (3) A non-resident of the Province who is resident in another jurisdiction in Canada is exempt from the requirements of subsection (2) if they provide proof to the Registrar of both of the following:
- (a) they have been accepted for participation in an alcohol ignition interlock program established in another Canadian jurisdiction and recognized by the Registrar;
 - (b) an alcohol interlock device has been installed in the motor vehicle that they will operate.

5 Eligibility for Program

- (1) Subject to Sections 8 and 9 for an applicant with a 4th or subsequent suspension and except as provided in subsection (2), an applicant is eligible to participate in the Program during or after their suspension period if all of the following conditions are met:

- (a) the applicable minimum wait period established under subsection 320.24(10) of the *Criminal Code* has elapsed;
- (b) the applicable wait period set out in the following table, or a longer wait period if ordered by the court, has elapsed, beginning with the date of the individual's most recent suspension under Section 105 of the Act for a violation of either section 320.14 or 320.15 of the *Criminal Code* that involved alcohol or section 320.18 of the *Criminal Code* if the prohibition referred to in that section involved alcohol:

Suspension	Wait Period
1st suspension	no wait period, unless ordered by court
2nd suspension	3 months
3rd suspension	6 months
4th or subsequent suspension	10 years

- (c) the applicant is not otherwise prohibited or disqualified from driving under the Act or a law of another jurisdiction;
 - (d) the applicant meets all other requirements for issuance of a driver's licence under the Act and the regulations made under the Act.
- (2) An individual whose driving privilege has been suspended for a violation of subsection 320.14(2) or (3) or subsection 320.15(2) or (3) of the *Criminal Code* that involved alcohol is not eligible to participate in the Program until after their suspension period has elapsed.

- (3) In addition to the other requirements in this Section, an individual with a 4th or subsequent suspension must meet all of the following conditions to be eligible to be considered for participation in the Program in accordance with Section 8:
- (a) except as provided in subsection (4), during the 10-year period immediately before the date of their application to the Program, the individual had no moving motor vehicle convictions under either the Act or an equivalent enactment in another jurisdiction;
 - (b) during the period when the individual was prohibited from operating a motor vehicle, the individual did not operate a motor vehicle;
 - (c) the individual's most recent risk rating by a counsellor with Addiction Services is an overall low risk rating.
- (4) An applicant reapplying for admission into the Program under Section 17 may have a moving motor vehicle conviction during the 10-year period as referred to in clause (3)(a) and still meet the requirements of subsection (3), unless the moving motor vehicle conviction involved alcohol.

6 Application to participate in Program (other than by individual with 4th or subsequent suspension)

- (1) This Section applies to applications to participate in the Program from individuals other than individuals with a 4th or subsequent suspension.
- (2) An applicant for participation in the Program must include documentation with their application demonstrating that they are enrolled in the Driving While Impaired Program.
- (3) The Registrar may consider an application to participate in the Program if the applicant meets the applicable eligibility requirements in Section 5 and submits an application in accordance with subsection (2).
- (4) The Registrar must review each application received under this Section and must consider the following factors when deciding whether to accept the applicant into the Program:
 - (a) the applicant's driving history, especially in relation to incidents of driving while under the influence of alcohol, whether or not those incidents led to convictions for violations of the *Criminal Code*;
 - (b) any information that has been made available to the Registrar from Addiction Services or through the applicant's participation in the Driving While Impaired Program;
 - (c) any medical information that the Registrar considers relevant to the applicant's ability to operate a motor vehicle and participate in the Program;

- (d) any factors the Registrar considers relevant to the applicant's ability to operate a motor vehicle and participate in the Program.

7 Program eligibility screening for individual with 4th or subsequent suspension

- (1) In this Section,

“risk assessment report” means a risk assessment report prepared in accordance with subsection (4).

- (2) Before applying to participate in the Program under Section 8, an individual with a 4th or subsequent suspension must request a program eligibility screening by submitting all of the following to the Registrar:
 - (a) a completed program eligibility screening request;
 - (b) the results of an official criminal record check conducted within the year immediately before the date of their request;
 - (c) an official driving abstract, dated within the year immediately before the date of their request, from each jurisdiction where the individual resided or worked during the previous 10 years;
 - (d) a report of medical fitness completed within the 6 months immediately before the date of their request;
 - (e) any supporting information the Registrar requires to enable the Registrar to determine the likelihood of the individual successfully following and completing the Program.
- (3) If the Registrar is satisfied that an individual might be eligible to participate in the Program, the Registrar must notify the individual that, to continue with their program eligibility screening, they must provide the Registrar with a risk assessment report dated no later than 6 months after the date of the notice issued by the Registrar under this subsection.
- (4) A risk assessment report must be prepared by a counsellor with Addiction Services and include all of the following:
 - (a) the counsellor's level of risk rating for the individual who is the subject of the report;
 - (b) any information that the counsellor thinks is relevant for the Registrar in considering the individual for participation in the Program.
- (5) If an individual's risk assessment report indicates an overall low risk rating and the Registrar is satisfied that the individual meets the eligibility criteria in Section 5, the Registrar must notify the individual that they may apply to participate in the Program under Section 8.

- (6) An individual who is denied permission to apply to participate in the Program under this Section must wait at least 1 year from the date of their request before requesting another program eligibility screening.

8 Application to participate in Program by individual with 4th or subsequent suspension

- (1) This Section applies to applications to participate in the Program from individuals with a 4th or subsequent suspension.
- (2) To participate in the Program, an applicant must apply to the Registrar no later than 6 months after the date of the notice issued by the Registrar under subsection 7(5).
- (3) The Registrar must review each application received under this Section and consider all of the following factors when deciding whether to accept the applicant into the Program:
 - (a) the eligibility requirements of subsection 5(3);
 - (b) the factors set out in subsection 6(4).
- (4) If the Registrar is satisfied that an applicant should be accepted into the Program, the Registrar must notify the applicant that they are accepted into the Program.
- (5) An applicant whose application is denied must wait at least 1 year from the date of their application before reapplying to participate in the Program under Section 7 and this Section.
- (6) An applicant whose application is accepted but who has not had an approved device installed in a motor vehicle for their use within 1 year of the date of their letter of acceptance must reapply to participate in the Program under Section 7 and this Section.

9 Registrar's letter of acceptance into Program

- (1) On accepting an applicant for participation in the Program, the Registrar must issue a letter of acceptance to the applicant that approves the installation of an approved device for use by the applicant and identifies the applicant as having been accepted into the Program.
- (2) An applicant must present the Registrar's letter of acceptance to an authorized individual for installation of an approved device.

10 Having approved device installed

- (1) An applicant who holds a letter of acceptance into the Program from the Registrar may have an approved device installed in a motor vehicle at their expense.

- (2) A participant who has an approved device installed in a motor vehicle must sign the agreement required by the authorized service provider that carried out the installation.
- (3) To have an approved device installed in a motor vehicle that is owned by another person, a participant must provide an authorized individual with written permission from the motor vehicle owner to have the approved device installed in the vehicle.
- (4) A motor vehicle owner who gives permission to install an approved device in their motor vehicle under subsection (3) may revoke the permission at any time for any reason by providing the Registrar with the revocation in writing.
- (5) If a motor vehicle owner's permission is revoked under subsection (4), the participant must ensure that the approved device is removed promptly by an authorized individual at the participant's expense.

11 Adding interlock restriction to driver's licence

- (1) An interlock restriction may be added to an individual's driver's licence only after the individual has an approved device installed in accordance with Section 10.
- (2) An interlock restriction must identify the licence holder as a participant who is restricted to driving the equipped vehicle or vehicles specified on their driver's licence, in accordance with the Program and these regulations.

12 Participant's duties

A participant must do all of the following as a condition of their continued participation in the Program:

- (a) have any equipped vehicle and approved device inspected as required by Section 14;
- (b) meet with a counsellor at Addiction Services as required under Section 15;
- (c) pay all expenses associated with participation.

13 Monitoring participants

- (1) All data from an approved device is deemed to be that of the participant assigned to that device.
- (2) The Registrar must either review or direct another individual to review the records submitted by an authorized individual or authorized service provider under Section 29.

14 Inspecting and maintaining approved device

- (1) A participant must ensure that their approved device is inspected in accordance with this Section at least once in every 60 days by the authorized individual who installed the device.
- (2) For an approved device in an equipped vehicle that is not designed to be inspected and maintained by removing a component from it, a participant must bring the equipped vehicle and approved device back to the authorized individual who installed the device, or to a facility designated by the authorized individual, for inspection, maintenance and reporting.
- (3) For an approved device in an equipped vehicle that is designed to be inspected and maintained by removing a component from it, a participant must do all of the following:
 - (a) ensure that the component is removed in accordance with the instructions of the authorized individual who installed the device and bring it back to the authorized individual who installed the device, or to a facility designated by the authorized individual, for inspection, maintenance and reporting;
 - (b) ensure that the replacement component provided to the participant by the authorized individual is installed back into the approved device in accordance with the instructions of the authorized individual.

15 Counselling by Addiction Services

- (1) A participant must meet with a counsellor at Addiction Services
 - (a) for an initial meeting no later than 10 days after the date the initial inspection required by Section 14 is completed; and
 - (b) once in every 60 days after the date of the initial meeting, unless otherwise required under subsection (3).
- (2) A counsellor at Addiction Services may recommend any of the following to the Registrar:
 - (a) that a participant meet with a counsellor less frequently than required by subsection (1), if the counsellor believes that the participant has demonstrated positive and sustained behaviour change in relation to their use of alcohol;
 - (b) that a participant meet with a counsellor more frequently than required by subsection (1), if the counsellor believes that the participant has not demonstrated an improvement in behaviour in relation to their use of alcohol.

- (3) Based on the recommendation of a counsellor under subsection (2), the Registrar may require a participant to meet with a counsellor at Addiction Services at specified intervals.
- (4) Addiction Services must notify the Registrar no later than 10 days after the date a participant fails to meet with a counsellor at Addiction Services as required by this Section.

16 Dismissal from Program

- (1) The Registrar may dismiss an individual from the Program at any time for any reason.
- (2) The Registrar must give an individual who is dismissed from the Program written notice of the dismissal that includes the reasons for the dismissal.
- (3) In accordance with clause 105(1)(i) of the Act, the Registrar is required to suspend the driving privilege of an individual who is dismissed from the Program.
- (4) An individual who is dismissed from the Program must ensure that all approved devices are removed at their expense from all equipped vehicles specified on their driver's licence.
- (5) A driving privilege suspension required by subsection (3) is deemed to be a reimposition of the suspension that created the criteria for the individual to be a participant in the Program.
- (6) For an individual who is a mandatory participant in the Program and whose participation in the Program is a condition for reinstating their driving privilege, a suspension of their driving privilege in accordance with subsection (3) remains in effect until they are readmitted into the Program.

17 Readmission into Program

- (1) An individual described in subsection 16(6) must reapply to participate in the Program in accordance with Section 6 before they are permitted to apply to have their driving privilege reinstated.
- (2) The Registrar may not accept an application for readmission to the Program from an individual described in subsection (1) until 90 days after the date the individual was dismissed from the Program.

18 Temporary leave from Program

- (1) On request, the Registrar may grant a participant a temporary leave from the Program and may specify terms and conditions for the leave.

- (2) A participant's driving privilege is suspended during any temporary leave granted under subsection (1).
- (3) A driving privilege suspended during a temporary leave from the Program is deemed to be a reimposition of the suspension that created the criteria for the individual to be a participant in the Program.
- (4) For the purpose of calculating the continuous period of participating in the Program under Section 19, the time a participant spent in the Program before the beginning of a temporary leave may be added to their participation time following the end of the temporary leave.
- (5) The Registrar must dismiss a participant from the Program who drives a motor vehicle on a highway during a temporary leave from the Program.

19 Program duration

- (1) A participant who participates in the Program during their suspension period must continue in the Program for the full duration of their suspension period, and nothing in this Section shortens their suspension period.
- (2) Participation in the Program begins on the date that an interlock restriction is added to a participant's driver's licence.
- (3) An individual whose driving privilege has been suspended for a violation of subsection 320.14(1) or 320.15(1) of the *Criminal Code* that involved alcohol or subsection 320.18(1) of the *Criminal Code*, if the prohibition referred to in that Section involved alcohol, must participate in the Program for the following applicable minimum period:
 - (a) for a 1st suspension other than for a high-risk 1st offender, a minimum continuous period equal to the amount of time remaining in the 1-year suspension period specified in item 3 of the mandatory suspension table;
 - (b) for a high-risk 1st offender, a minimum continuous period of 1 year;
 - (c) for a 2nd suspension, a minimum continuous period of 2 years;
 - (d) for a 3rd suspension, a minimum continuous period of 3 years;
 - (e) for a 4th or subsequent suspension, a minimum continuous period of 5 years following the suspension period specified in item 3 of the mandatory suspension table;
 - (f) for an individual whose driving privilege was suspended more than 10 years previously and under that suspension continues to be subject to a reinstatement requirement to participate in the Program, a minimum continuous period under clauses (a) to (e) calculated based on the greater of the following numbers:

- (i) the number of suspensions or revocations relating to the outstanding reinstatement requirement;
 - (ii) the number of suspensions or revocations that were issued to the individual in the 10 years immediately before the date of the most recent suspension.
- (4) An individual whose driving privilege has been suspended for a violation of subsection 320.14(2) or (3) or subsection 320.15(2) or (3) of the *Criminal Code* must participate in the Program for the following applicable minimum period:
 - (a) for a 1st suspension, a minimum continuous period of 2 years after the suspension period specified in item 5 of the mandatory suspension table;
 - (b) for a 2nd suspension, a minimum continuous period of 5 years after the suspension period specified in item 5 of the mandatory suspension table.
- (5) An individual required to participate in the Program under clause 87(2)(d), 103(d) or 109(2)(d) of the Act must participate in the Program for a minimum period set by the Registrar.
- (6) An individual whose driving privilege has been suspended for a violation of section 320.14 or 320.15 of the *Criminal Code* and who is subject to an additional period of revocation under Section 314 of the Act must participate in the Program for a minimum continuous period of 12 months following the end of any other period of participation in the Program required by this Section, unless subsection (7) applies.
- (7) An individual whose driving privilege has been suspended for a violation of section 320.14 or 320.15 of the *Criminal Code* and who is not required to participate in the Program other than by subsection (6) may serve the minimum period of participation required by subsection (6) concurrently with the period required by clause (3)(a) for any voluntary participation in the Program.
- (8) For an individual who is dismissed from the Program and successfully reapplies to participate in the Program again, the applicable time period in subsection (2), (3), (4) or (5) restarts and no time previously spent in the Program is deducted from the required minimum duration of the Program unless otherwise directed by the Registrar.

20 **Extending duration of Program**

- (1) The Registrar may extend a participant's participation in the Program for any of the following reasons and must give the participant written notice of any extension:
 - (a) consideration of the factors for releasing a participant from the Program set out in Section 22;
 - (b) for a contravention of the prohibitions in subsection 30(1), in accordance with Section 26,

- (2) A written notice of an extension required by subsection (1) must include all of the following:
 - (a) a statement of the further continuous period during which the participant must participate before being eligible to apply for release from the Program under Section 21;
 - (b) the date after which the participant may apply for release from the Program.
- (3) A participant whose participation in the Program is extended must participate in the Program for a further continuous period set by the Registrar before being eligible to apply for release from the Program under Section 21.

21 Application for release from Program

- (1) To be released from the Program, a participant who has completed the required participation period under Section 19 or 20 must apply to the Registrar.
- (2) An application for release from the Program must include a recommendation from Addiction Services supporting the application.

22 Factors for determining release from Program

- (1) In this Section,
 - “failed test” means a breath sample taken with an approved device that registers higher than 20 mg of alcohol in 100 ml of blood.
- (2) The Registrar must consider the following factors when deciding whether to release a participant who has applied under Section 21 for release from the Program:
 - (a) the contents of records submitted by an authorized service provider under Section 29 with respect to the participant, including both of the following:
 - (i) the participant’s rate of compliance with required retests;
 - (ii) the number of failed tests recorded for the participant;
 - (b) how often the equipped vehicle was driven by the participant during their participation;
 - (c) any incidents or reports of incidents of the participant driving while under the influence of alcohol or driving a non-equipped vehicle, whether or not those incidents led to convictions for violations of the *Criminal Code* or convictions under the Act or the regulations made under the Act;
 - (d) any relevant information made available to the Registrar by Addiction Services;

- (e) any factors the Registrar considers relevant to the participant's readiness to be released from the Program.

23 No application for removal of interlock restriction until released from Program

A participant is not eligible to apply under clause 83(1)(c) of the Act for removal of the interlock restriction from their driver's licence until the Registrar has released them from the Program under Section 24.

24 Registrar's decision on application for release from Program

- (1) The Registrar may approve or deny a participant's application under Section 21 for release from the Program.
- (2) A participant who is released from the Program must, at their own expense, have the approved device removed from the equipped vehicle or vehicles specified in their interlock restriction.
- (3) If the Registrar denies an application for release from the Program, the Registrar may extend the applicant's participation in the Program in accordance with Section 20.

25 Peace officer may inspect equipped vehicle

- (1) A peace officer may inspect an equipped vehicle at any time to determine any of the following:
 - (a) whether the participant and the equipped vehicle are in compliance with the participant's interlock restriction, the Program and these regulations;
 - (b) whether the approved device is functioning properly.
- (2) A peace officer may order that an equipped vehicle be taken to an authorized individual for an inspection of the vehicle and the approved device.

26 Administrative sanctions by Registrar

- (1) The Registrar may take any of the following actions based on data from an approved device indicating that the participant has contravened any of the prohibitions in subsection 30(1) or based on the Registrar's reasonable belief that the participant has contravened any of the prohibitions in subsection 30(1):
 - (a) dismiss the participant from the Program;
 - (b) require the participant to undergo additional assessment by Addiction Services;

- (c) extend the duration of the participant's required participation in the Program in accordance with Section 20.
- (2) The Registrar may reverse or alter any action taken under subsection (1) if evidence to the contrary that is satisfactory to the Registrar is provided.

27 Written authorization to install approved devices

- (1) The Registrar may authorize any individual to install, maintain and remove approved devices.
- (2) The Registrar's authorization under subsection (1) must be in writing.

28 Attaching approval sticker when approved device installed

An authorized individual must install an approved device in a motor vehicle and attach an approval sticker to the approved device if

- (a) requested by an individual to install the approved device in their motor vehicle, and
- (b) provided with a letter from the Registrar indicating that the individual has been accepted into the Program.

29 Records of authorized service provider

- (1) An authorized service provider must keep a record that includes all of the following information for each approved device they install, inspect, maintain or remove:
 - (a) for the participant, all of the following:
 - (i) name,
 - (ii) residential address,
 - (iii) date of birth,
 - (iv) client number;
 - (b) for the motor vehicle in which the approved device is installed, all of the following:
 - (i) make,
 - (ii) model,
 - (iii) vehicle identification number,
 - (iv) number plate number;

- (c) the results of each inspection of the approved device, including any data or other information obtained from the approved device.
- (2) An authorized service provider must notify the Registrar immediately if an inspection of an approved device shows that the device has been tampered with.
- (3) An authorized service provider must submit the records kept under this Section to the Registrar when requested.
- (4) An authorized service provider must keep a record required by this Section for at least 10 years from the date the record was created.

30

Prohibitions

- (1) An individual who holds a driver's licence with an interlock restriction must not do any of the following:
 - (a) tamper with an approved device or operate an equipped vehicle that has been tampered with;
 - (b) fail to take an equipped vehicle or approved device for a scheduled inspection as required by Section 14;
 - (c) solicit a breath sample from another individual to assist them to do any of the following while the holder of the driver's licence with an interlock restriction is in control of an equipped vehicle:
 - (i) start the equipped vehicle,
 - (ii) keep the equipped vehicle in motion;
 - (d) drive a motor vehicle that is not an equipped vehicle specified in the interlock restriction on the individual's driver's licence.
- (2) An individual must not knowingly assist an individual who holds a driver's licence with an interlock restriction to do any of the following:
 - (a) start an equipped vehicle while the holder of the driver's licence with an interlock restriction is in control of the equipped vehicle;
 - (b) keep an equipped vehicle in motion while the holder of the driver's licence with an interlock restriction is in control of the equipped vehicle;
 - (c) tamper with an approved device.
- (3) An individual must not allow an individual who holds a driver's licence with an interlock restriction to operate a motor vehicle other than an equipped vehicle specified in their interlock restriction.

Person in charge of vehicle deemed to have contravened prohibition

If the individual who contravened a prohibition involving a motor vehicle under Section 30 cannot be determined, the person in charge of the motor vehicle involved is deemed to have contravened the prohibition.
