Release Notes for External Users

Agreement/Case Management

External Case Management (ECM)

- **Apply for Funding**
    - Enhancement: Delivering Organization is not required when Applying for Funding
    - Enhancement: If the selected Delivering Organization is flagged as Inactive in LaMPSS and/or is Blocked in SAP, an error message will display:
        - The selected delivering organization has been flagged as an inactive organization and/or is Blocked in SAP. Please select another organization to deliver this intervention.
- **Case Add**
    - Enhancement: The "Accountability Reporting" dropdown field will display OFA agreements the case managing organization has with ENS that requires Accountability Reporting.
- **Case Tasks**
    - Complete Assessment task has new outcomes
        - Added new outcome:
            - RTWAP – Employment Ready
        - Replaced "Complete Assessment" with:
            - RTWAP Comprehensive
        - Replaced "Self-Serve Only (close case) with:
            - Self-Serve – Emp. Ready (close)
        - Replaced "Group Service Only (close case) with:
            - Group Services – Emp. Ready (close)
- **RTW Action Plan**
    - Enhancement: On the Action Plan Details page, the intervention status can only be updated when the case status is RTWAP Mgmt.
        - If the case status is Intake, Assessment, or RTWAP Dev, the only intervention status available is "Planned"
        - If the case status is Follow-up, the intervention details cannot be updated
