Fuel Safety Bulletin

(Issued pursuant to s.30 of the *Technical Safety Act*)

Bulletin Number: FS17-06

ISSUE DATE: September 5, 2017 **Rev #** **Date:**

REPEAL DATE:

SUBSECTION:

ISSUED BY: Paul Fowler, Chief Fuel Safety Inspector

SUBJECT: FUEL SAFETY CODE ADOPTION INFORMATION SESSIONS

The Fuel Safety Section of the Technical Safety Division will be holding a number of stakeholder information sessions throughout the province as noted below. The purpose of these sessions is to introduce a number of new code editions that the province is seeking to adopt under the Technical Safety Standards Regulations. These new code editions will replace the currently adopted editions and one will be a new code that is not currently adopted.

We are seeking input from affected stakeholders on the benefits, impacts, challenges, etc of adopting these new code editions as well as general input on code and standard awareness and accessibility. Your input is important so please attend if possible. All sessions will run from **4:00PM to 6:00PM**. The dates and locations of these sessions are as follows:
