## FUEL SAFETY INITIAL APPLICATION FORM

---

**Please indicate which class of Gas Operator license you are applying for:**

- Class B Operate a bulk propane plant
- Class C Transport propane in portable containers
- Class D Operate a tank truck transporting propane
- Class E Operate a cargo liner transporting propane
- Class F Operate a propane dispensing unit
- Class G Install, repair, service or maintain a gas appliance, container or piping system as permitted by the sub-class

**Class G Subclasses:**

- Class G-1 Restricted to installing, repairing, servicing and maintaining propane systems for recreational vehicles and mobile homes
- Class G-2 Restricted to installing, repairing, servicing and maintaining propane-fired construction heaters and portable cylinders, excluding supply tanks and building piping
- Class G-3 Restricted to repairing, servicing and maintaining propane-fired domestic barbeque grills
- Class G-4 Restricted to repairing, servicing and maintaining industrial in-house gas-fired appliances and equipment at the location designated on the certificate, and not including installation or any change to the installed system
- Class G-5 Restricted to repairing, servicing and maintaining systems in which liquid propane is used as a motive fuel to power off-highway vehicles, and includes converting the systems
- Class G-6 Restricted to repairing, servicing and maintaining systems in which natural gas is used as a motive fuel to power off-highway vehicles, and includes converting the systems
- Class G-7 Restricted to installing uncharged gas piping systems of any size from the outlet of the meter or second stage regulator to the last shut-off valve, including the burner manifold

**Note:** If applying for a Class F certificate you must provide proof of successful completion of PGAC100-1. If applying for a Class C, Class D or Class E certificate, please provide a copy of your drivers' licence (be sure to copy both the front and the back of your licence).

---

**Please indicate which class of Gas Technician Licence you are applying for:**

**Prior licence # :** \_\_\_\_\_

- Gas Technician I Service and installation of gas equipment (vapour phase only) of any btu rating
- Gas Technician II Restricted to the service and installation of gas equipment (vapour phase only) of a btu rating of 400,000 btu or less
- Gas Technician III Restricted to the service and installation of gas equipment (vapour phase only) of a btu rating of 400,000 btu or less and under the supervision of a Gas Technician I or Gas Technician II
