

# SAFETY NOTICE

Safety Alert Number: **0000011**

Issued **April 10, 2024** by **Safety Branch**

Department of Labour, Skills and Immigration

## Temporary Workplace Traffic Control Manual Update

### Summary

**The following information is of high importance to the traffic control industry!**

Please be advised that the Nova Scotia Temporary Workplace Traffic Control Manual (Manual) has been updated, with the new legal edition (2024.04.02) officially published as of April 05, 2024.

Copies of the current legal edition of the Manual can be downloaded at, <https://novascotia.ca/tran/tcm>.

The new Manual includes new procedural and equipment requirements and is the result of feedback from industry, safety groups, government, and workers. A summary of updates can be found just inside the front cover on page, II.

Please feel free to share this release with those who may benefit from its contents.
