Fuel Safety – Online Permit Application

- **Apply and self-issue online**

If you hold a Fuel Safety Gas Business Licence, you can use the online tool to apply for and self-issue permits for total input loads up to 3,000,000 Btu/h.

- **Not using the online tool yet?**

Enrolling is the fastest way to process permits and registrations.

- **How to get started**

1. Go to www.nsbr.ca and create an account.
2. Account approval can take up to 24 hours.
3. You will receive an email once your account is approved.

- **System updates coming soon**

The Fuel Safety online permit tool is getting updates that will change how you log in. We will share details soon to help ensure uninterrupted access. Please check your email and the [Fuel Safety website](#) for updates.

- **Alternate Options for Permit Submissions**

You can still choose to mail or drop off your documents to any Access Nova Scotia office.
