

Release 3.1

Release Notes for External Users

Release 3.1 is a small release that focuses on enhancements for Youth Initiatives Wage Subsidy Programs as well as a small number of usability improvements and defect fixes.

Wage Subsidy Programs Only

- **Application Form**
 - Fixed an issue on the **Wage Subsidy Application form** where the total **Number of Employees** had to be greater than 0 thereby not allowing the applicant to enter 0 for both full-time and part-time employees. Applicants can now enter 0 in both fields. (TFS 25988)

Wage Subsidy and Training Subsidy Programs Only

- **Application Form**
 - Fixed an issue where the application submission failed if the **Est. Start Date** and **Est End Date** had the same date. (TFS 26068)
- **Agreement Contract**
 - Improved usability by adding the **Agreement ID** to all pages of the **Wage Subsidy** and **Training Subsidy** contracts. (TFS 25989)

Organization Funding Agreements (OFA)

- **Agrmnt Header**
 - Added the ability for external users to click on the **Agreement Manager name** in the agreement header to send an email. (TFS 25994)
- **Agrmnt Homepage**
 - Improved usability by adding hyperlinks from the **Agreement Homepage** to the **Service Registration Details** page and the **Service Registration Participants** page. (TFS 25995)
- **Agrmnt Details**
 - Fixed an issue where the **Revenue % Outside of Canada** field showed the wrong code. (TFS 26058)
- **Agrmnt Documents**
 - Added the ability for users to upload an **“Innovation Plan”** attachment. (TFS 25981)
 - Added the ability for users to upload a **“Curriculum”** attachment. (TFS 26024)
