

## Release 4.2.1

### Release Notes for External Users

LaMPSS Release 4.2.1 introduced the learner management person list report, addressed minor maintenance changes, and performed software updates.

---

#### Organization Agreement Management (OFA) – Electronic Signature

- **Agreement Signatures** – Fixed minor usability issue with a bug that would show duplicate signing officers and a bug that allowed a user to leave the screen when changes were pending without a prompt.

#### Learner Management (LM)

- **NSSAL Learner List Export New!** – New report / export to generate an export of NSSAL learners and their case data for an organization.
