### Side Navigation Menu

- **Recent Lists**
  - Fixed an issue where an error (rarely) occurred when the user clicked on items in the **Recent Person** or **Recent Org** lists. (TFS 24839)

### Organization Funding Agreements (OFA)

- **Agmmt Homepage**
  - Added the ability to view a list of **Associated Services** on the **Agreement Home Page**. By default, this list is sorted by **Service Start Date** and displays the five most recent services. If more than five services exist, the VCR scroll buttons can be used to scroll through additional pages. This list can be resorted by clicking on any of the column headings. (TFS 24900)

### Service Registration

- **Service Registration Details**
  - Fixed an issue where, when creating a new service, the **Service Location** defaulted to the Organization's Mailing Address instead of the Civic Address (if available). (TFS 24930)

### External Case Management (ECM)

- **NOC Codes**
  - Implemented NOC 2016 for ECM. When selecting NOC codes on the **Employment Details**, **Needs Determination Results** and **Employment Outcomes** screens, the user will now be selecting from the 2016 revision of the NOC codes. All existing NOC codes have been converted to 2016 codes, where applicable. (TFS 19459)
- **Org. Data Export**
  - Fixed an issue where no agreements appeared in the **Accountability Reporting** dropdown list on the **Data Export Selection Criteria** screen. (TFS 24889)
