

SkillsonlineNS.ca

From the smallest business to the biggest non-profit, our robust selection of FREE courses and training will help make your organization smarter and more productive. *Courses are available in English and French*

SkillsonlineNS will transform your organization in 3 ways:

Employees can quickly complete free courses on everything from Excel, to computer skills, to sales skills and leadership.

Small and Large companies can assign, track and manage training for employees.

Each account has a unique QR code to easily view all training records.

SkillsonlineNS is a joint project of the Department of Labour, Skills and Immigration and the Nova Scotia Association of CBDCs and Bluedrop ISM. Our goal is have the best trained, most productive workforce anywhere – at no cost for employers.
