

Name: _____

Workbook Exercises*
Module 9: Woodlot Recreation

*** Please note that there is now a \$20 testing fee to receive a certificate for each module. If you would like to receive a certificate for completing this module, please send a cheque or money order (payable to the Minister of Finance) along with the completed quiz or workbook to Nova Scotia Department of Natural Resources Extension Services Division P.O. Box 698 Halifax, NS B3J 2T9**

Exercise 1: Create a list of woodlot recreational activities you would like to manage your woodlot for.

Exercise 2: Inventory your woodlot and create a simple map of the relevant features and current activities related to recreation. (see page 6)

Exercise 3: Determine what already exists in your community and if there are any possibilities for cooperation with neighbours or local recreational groups. (see page 8)

Exercise 4: A variety of features affect your woodlot recreation potential. Describe each of the following features of your woodlot and how they affect your management plan (see pages 13-16)

Woodlot Size: _____

Forest Stages: _____

Plant Species: _____

Natural Area: _____

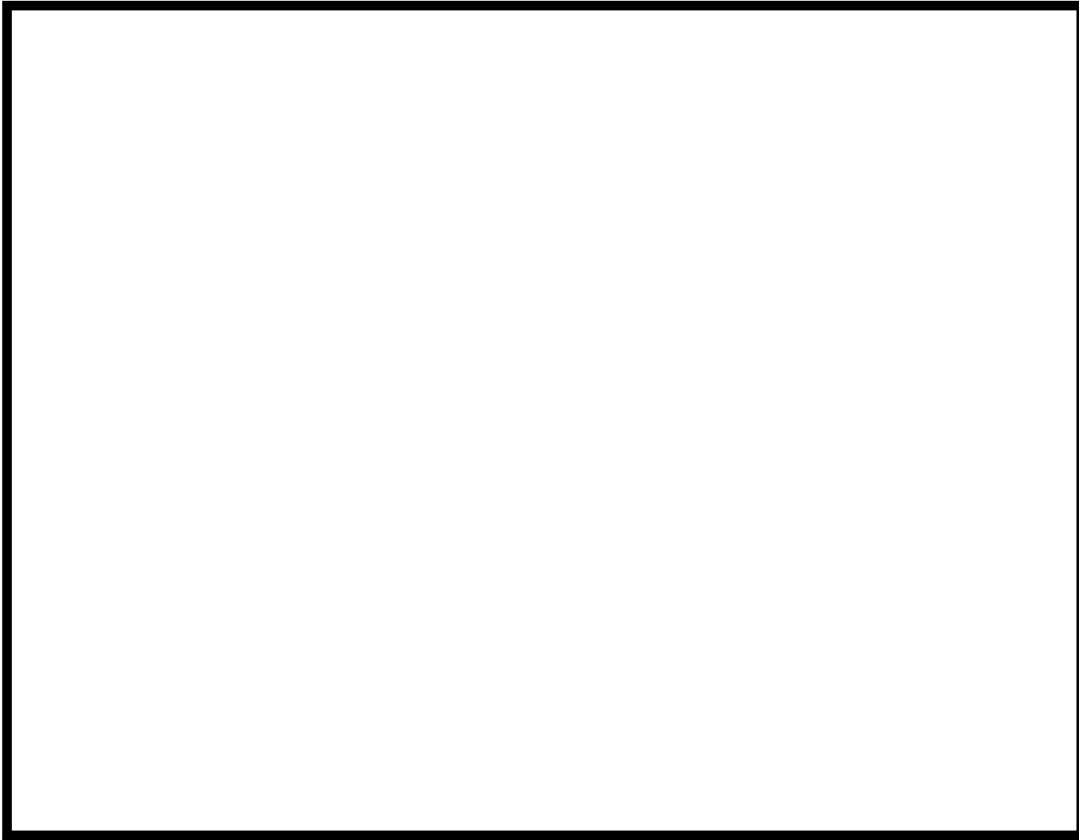

Trails: _____

Terrain: _____

Waterways: _____

Attractiveness: _____

Exercise 5: Draw a map of your woodlot describing the different stands, zones of production (ie. thinning, plantation, shelterwood) and recreational features you have or plan on building (ie. bridges, trails). (see pages 16-21)

Exercise 6: Choose a recreational feature you would like to have on your woodlot and describe how you would develop and/or improve that opportunity. (see page23)

Recreational Feature: _____

Development/Improvement Plans: _____

*If you wish to discuss the workbook exercises or your answers, please feel free to contact 424-5444 or email woodlot@gov.ns.ca
