

BE COYOTE

# SMART

## HIKE SAFELY

Hike with friends, use a walking stick, and carry a noisemaker.

## DON'T FEED ANIMALS

Coyotes with access to human food or garbage lose their fear of people.

# IF A COYOTE APPROACHES YOU:

## BACK AWAY SLOWLY

Don't run!

## ACT BIG

Wave your arms or walking stick to scare it away.

## MAKE NOISE

Shout, use your noisemaker, throw stones.

## FIGHT BACK

If a coyote attacks, use whatever is available to defend yourself.

Report unusual or aggressive coyote behaviour to the  
**Department of Natural Resources: 1-800-565-2224.**
