GENERAL REGULATIONS FOR HUNTING ON BELLEISLE MARSH

1. Permission to access private lands at Belleisle Marsh is strictly the responsibility of the hunter.
2. Vehicular traffic is permitted on roads (except where gated) and parking lots only.
3. Parking is permitted in designated parking lots only.
4. All roads must remain open at all times to facilitate agricultural and other traffic.
5. Overnight camping is prohibited.
6. Littering is prohibited.
7. Motorized boats or motorized canoes are not permitted on any waterway in the management area.
8. Non-toxic shot (non-lead) must be used for all types of hunting on the management area.
9. All waterfowl hunting parties must have a means of retrieving downed waterfowl.
10. Waterfowl hunting on constructed wetlands during the first three days of the waterfowl hunting season (**Oct. 1-3, 2018**) requires that all blinds be allocated and registered through the Nova Scotia Department of Natural Resources Lawrencetown Office.
11. Waterfowl hunting parties not using their registered blind site by one-half hour after sunrise time (a.m.) or one-half hour before sunset (p.m.), as per the Nova Scotia Hunting & Furharvesting Licence & Summary of Regulations Booklet, forfeit their right to the blind for that morning or evening.
12. All waterfowl hunting blinds located on Crown land on Belleisle Marsh must have the name, address and phone number of the hunting party attached to the blind. Unregistered or unmarked blinds will be removed.
13. Blinds located outside the constructed wetlands on crown land do not require registration but as with the registered sites, must have the name address and phone number of the hunting party attached to the blind. Unregistered or unmarked blinds will be removed.
14. Digging is prohibited at any blind site and each blind must be dismantled by the owner and all un-natural material removed by the close of the waterfowl hunting season.
15. Hunting from the dykes of constructed wetlands is not permitted.
16. Jump shooting in constructed wetlands is prohibited during the first three days of the waterfowl hunting season (Oct. 1 - 3).
