

Plan of Vertical Section
of Plough Lead Shaft and
Excavation on Plough Lead Belt
O.P. M. Co's Mines
Wine Harbour
The south wall of the shaft being
12 feet north of the north wall of
the excavation on the Plough Lead
Belt but for purpose of showing the
relative position is here plotted
on the same plane by dotted
lines showing the shaft passing
beyond the excavation on the Belt,
Scale 20 feet to an inch.
View, Looking North
Red figures give distance in feet below Deck
