

LEGEND

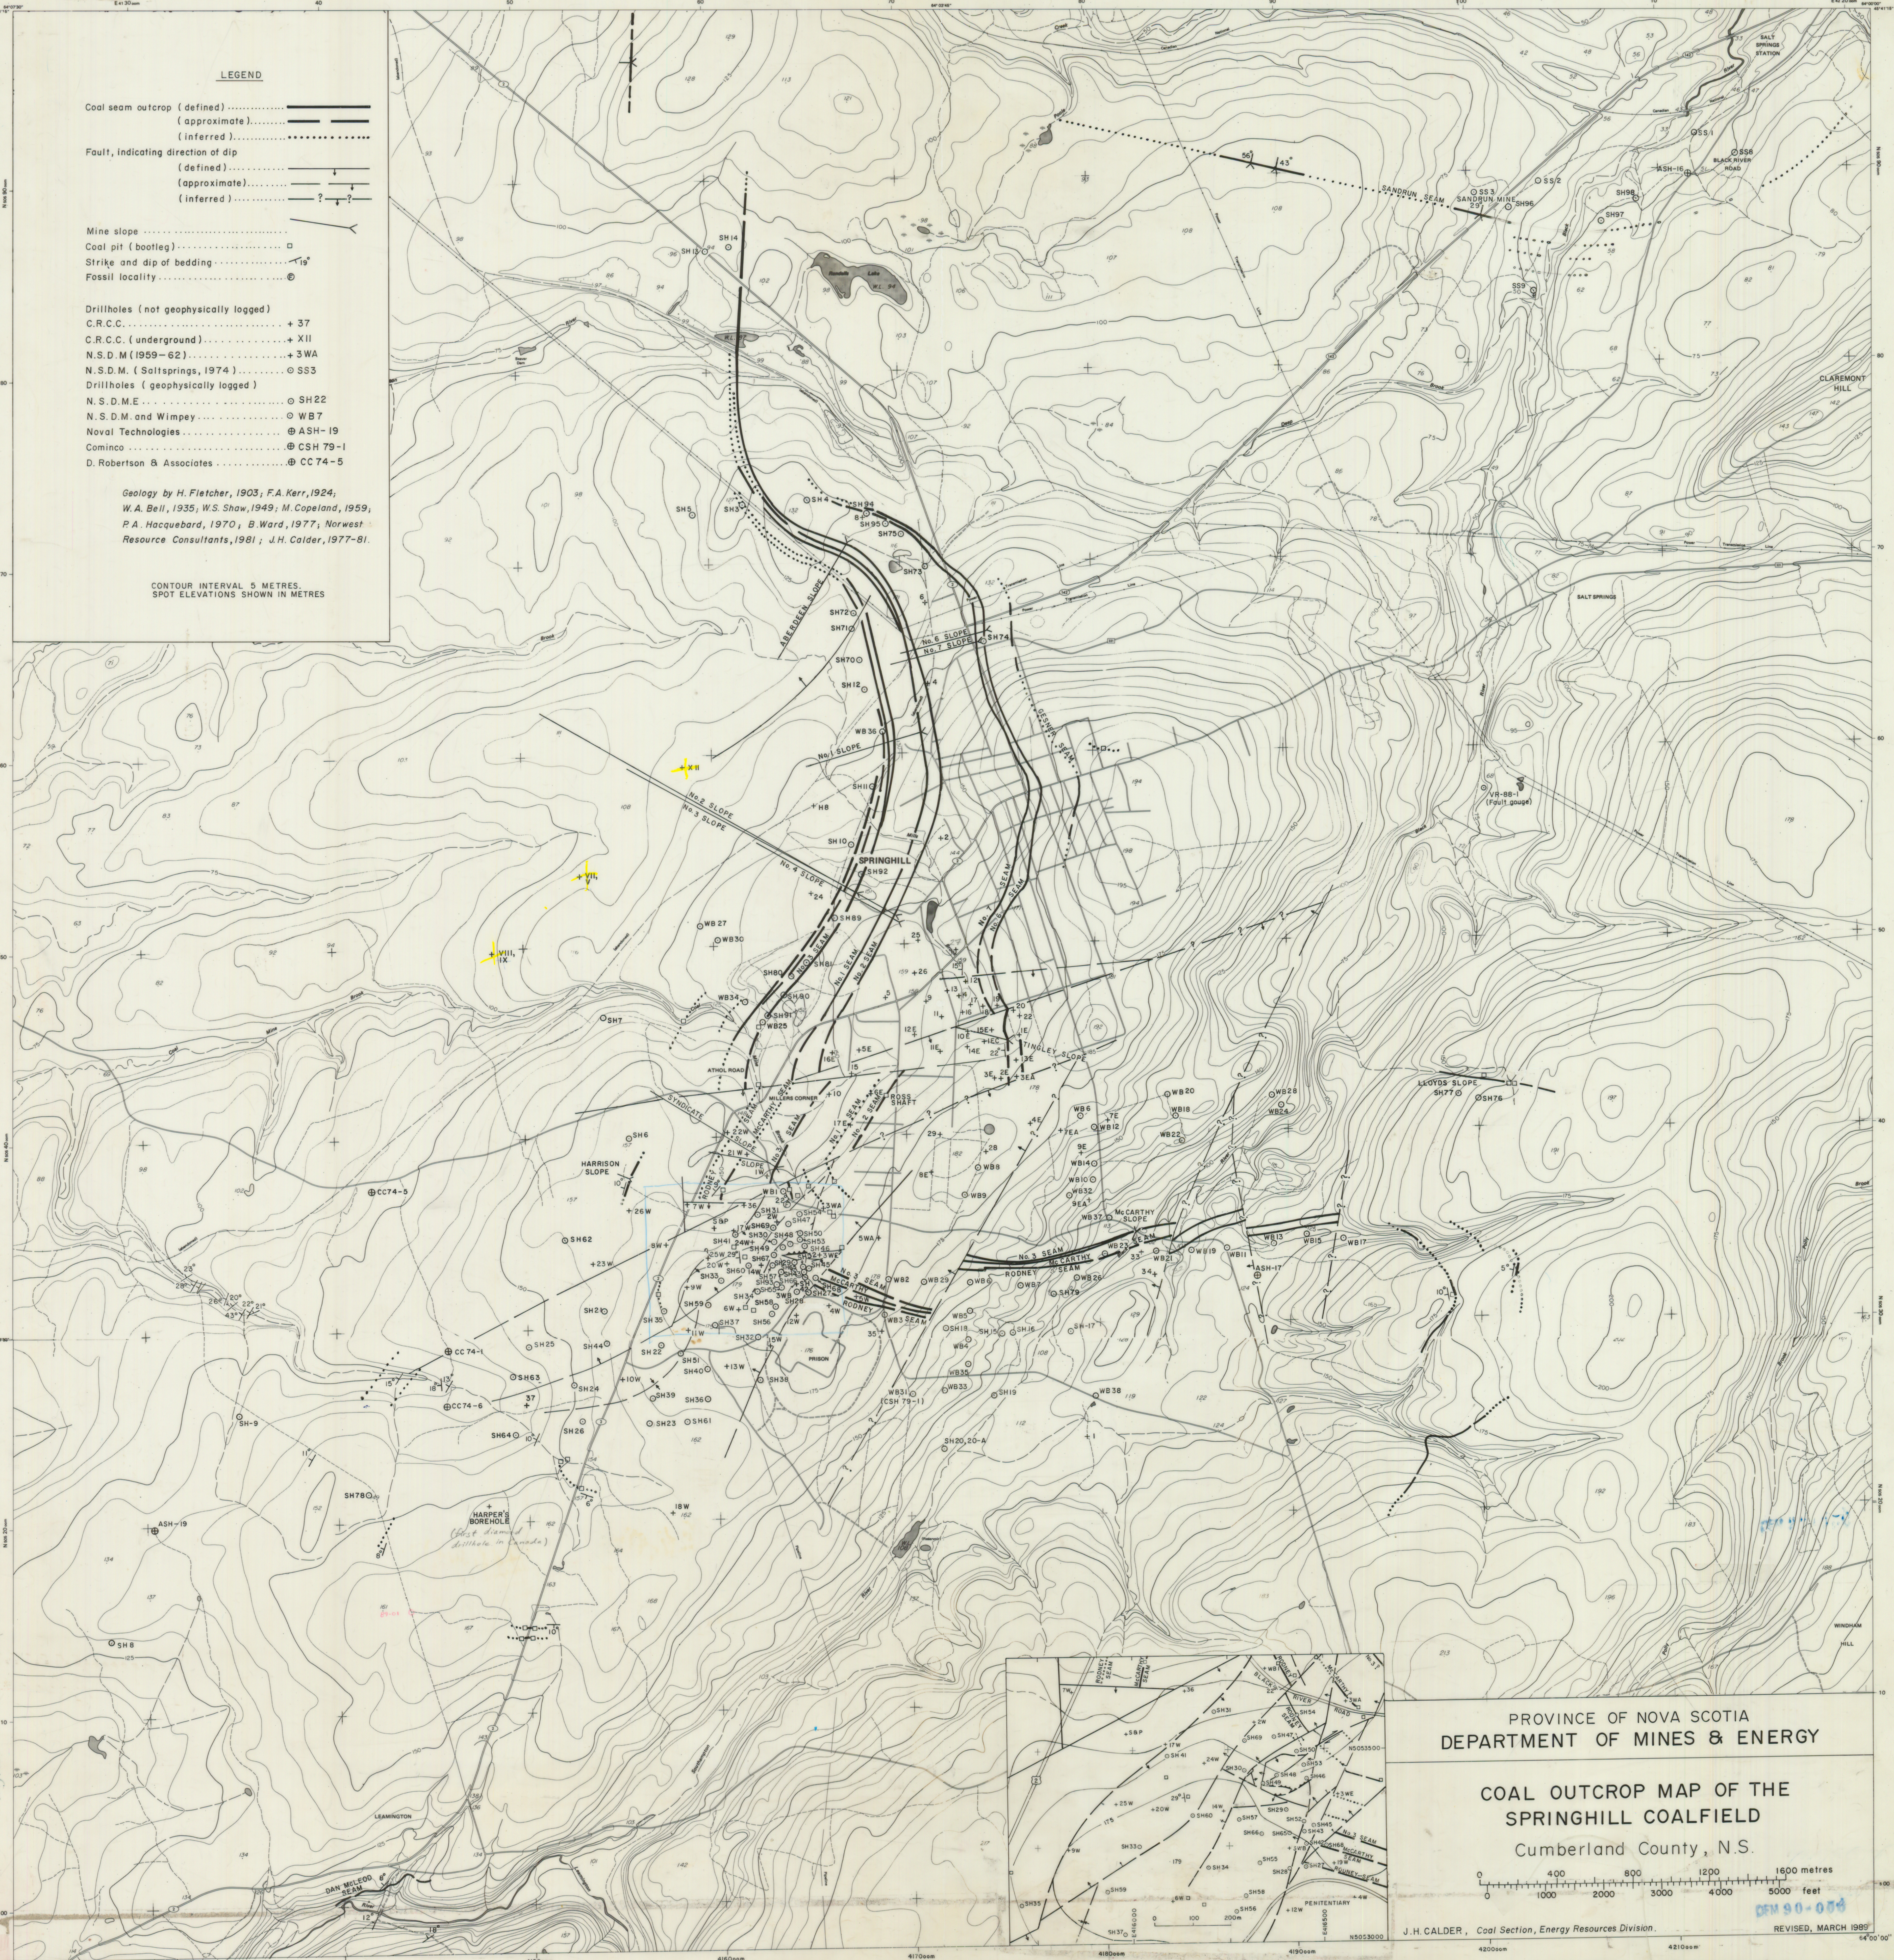

- Coal seam outcrop (defined)
- (approximate)
- (inferred)
- Fault, indicating direction of dip
(defined)
- (approximate)
- (inferred)

- Mine slope
- Coal pit (bootleg)
- Strike and dip of bedding
- Fossil locality

- Drillholes (not geophysically logged)
- C.R.C.C. + 37
- C.R.C.C. (underground) + XII
- N.S.D.M. (1959-62) + 3WA
- N.S.D.M. (Saltsprings, 1974) ○ SS3
- Drillholes (geophysically logged)
- N.S.D.M.E. ○ SH22
- N.S.D.M. and Wimpey ○ WB7
- Noval Technologies ⊕ ASH-19
- Cominco ⊕ CSH 79-1
- D. Robertson & Associates ⊕ CC 74-5
