

Legend	
Aggregate with export potential	High
Moderate	Bedrock with high aggregate potential
Bedrock with low aggregate potential	Granitic rocks
Bedrock with aggregate potential	Basalt and mixed volcanic rocks
Granitic rocks	Granitic rocks
High-grade metamorphic rocks	Sandstone
Trans-Canada Highway	Arterial highway
Trunk highway	Collector highway
Hard surface road	Loose surface road
Boundaries (province, county)	River/Coastline
Lake	

Nova Scotia Department of Natural Resources
 Mineral Resources Branch
 Open File Map ME 2010-3 (Sheet 1 of 4)
**Geological Resource Atlas,
 Aggregate Resources,
 Southwestern Area of Nova Scotia**
 Compiled by Nova Scotia Department of Natural Resources, Mineral Resources Branch

Scale 1:250,000

Universal Transverse Mercator Projection (UTM), Zone 20, Central Meridian 63°00' West
 North American Datum (NAD) 1983 Canadian Spatial Reference System (CSRS) 99

Map Notes

This is 1 map in a series of 4 aggregate resources maps of Open File Map ME 2010-3, at a scale of 1:250,000.

GIS databases, cartography and reproduction by Angie Eher and Brian Fisher of the Nova Scotia Department of Natural Resources, Geoscience Information Services Section with contribution from the Graphic and Mapping Services Section, 2010. The GIS databases and map were developed using ArcGIS 9.3.

Base and digital data derived from the Nova Scotia Topographic Database (NSTDB). Copyright Her Majesty the Queen in Right of the Province of Nova Scotia. The NSTDB is available from Service Nova Scotia and Municipal Relations (SNMRL), Land Information Services Division (LIS), Nova Scotia Geomatics Centre (NSGC), Amherst, Nova Scotia.

Additional information derived from Nova Scotia Department of Natural Resources, Mineral Resources Branch, Geographic Information Systems (GIS) databases and the Restricted and Limited Use Lands (RLUL) database.

For additional information, please refer to the accompanying report Open File Report (OFR) ME 2010-2, Guide to Accompany the Geological Resource Atlas of Nova Scotia (Open File Maps ME 2010-1, -2, -3 and -4) by R. J. Ryan, B. E. Fisher, T. G. MacKinnon, G. Prime, G. A. O'Reilly and J. H. Calder.

Disclaimer

This map presents current and historical data, as well as geological interpretations from a continuing project by staff of the Mineral Resources Branch to evaluate the geological resources of Nova Scotia. This map may be revised as additional geoscience information is incorporated. The data and interpretation on this map originate from a variety of government and non-government sources. The Nova Scotia Department of Natural Resources accepts no liability for any errors or omissions on this map. This map is intended for use at the published scale of 1:250,000.
