

**2020-21 Nova Scotia Mineral Resources Development Fund (MRDF)  
Application for Shared Funding Grant**

Please study the Terms and Conditions for a Shared Funding Grant carefully before you submit this application. Omission of critical information may lead to an application being unsuccessful.

Enter data into the fields below (tables and text boxes are expandable if more space is required):

**1. Company Information** (copy of Provincial/Extra-Provincial Company Registration and details of any agreements with outside parties that have a vested interest in the property must be submitted with the application)

<b>Contact Information</b>			
Applicant Name		NovaROC ID	
Mailing Address			
License Holder		If no, please state	
Phone (Primary)		Phone (Secondary)	
Email			
Is the company's portion of the project fully financed, or is financing contingent on receiving a MRDF grant?			
Would you like to be added to the MRDF email distribution list?			
Is the applicant eligible for federal government re-imburement of the Harmonized Sales Tax (HST)?			

<b>Project Information</b>			
Contact Person			
Phone		Email	
Project Name			
Location of Property <i>(community, county, etc.)</i>			
Main Project Activity			

Select tier of shared funding being applied for:

- Tier 1: funding (mineral exploration (up to \$100,000)
- Tier 2: funding (NI43-101 mineral resource development (up to \$200,000)

## 2. Description of Project

Estimated starting date of project	Estimated completion date of project
------------------------------------	--------------------------------------

A) Location of the work program(s) and status of private landowner access negotiations and/ or documentation showing submission of Crown land access application (*attach map(s)*)

**B ) History of mineral licence tenure and a comprehensive exploration history of the property**

A large, empty rectangular box with a thin black border, occupying the majority of the page below the section header. It is intended for the user to provide the history of mineral licence tenure and exploration history of the property.

**C) Relevant supporting scientific/assessment reports**

Report Name	Report Author

**D) Previous Grants**

List of all previous grants received (by the applicant) from the Nova Scotia Mineral Incentive Program and the Nova Scotia Mineral Resource Development Fund for this property (how many grants and what years). For each previous grant received by the applicant, provide a summary of results of how the property advanced as a result of each grant.

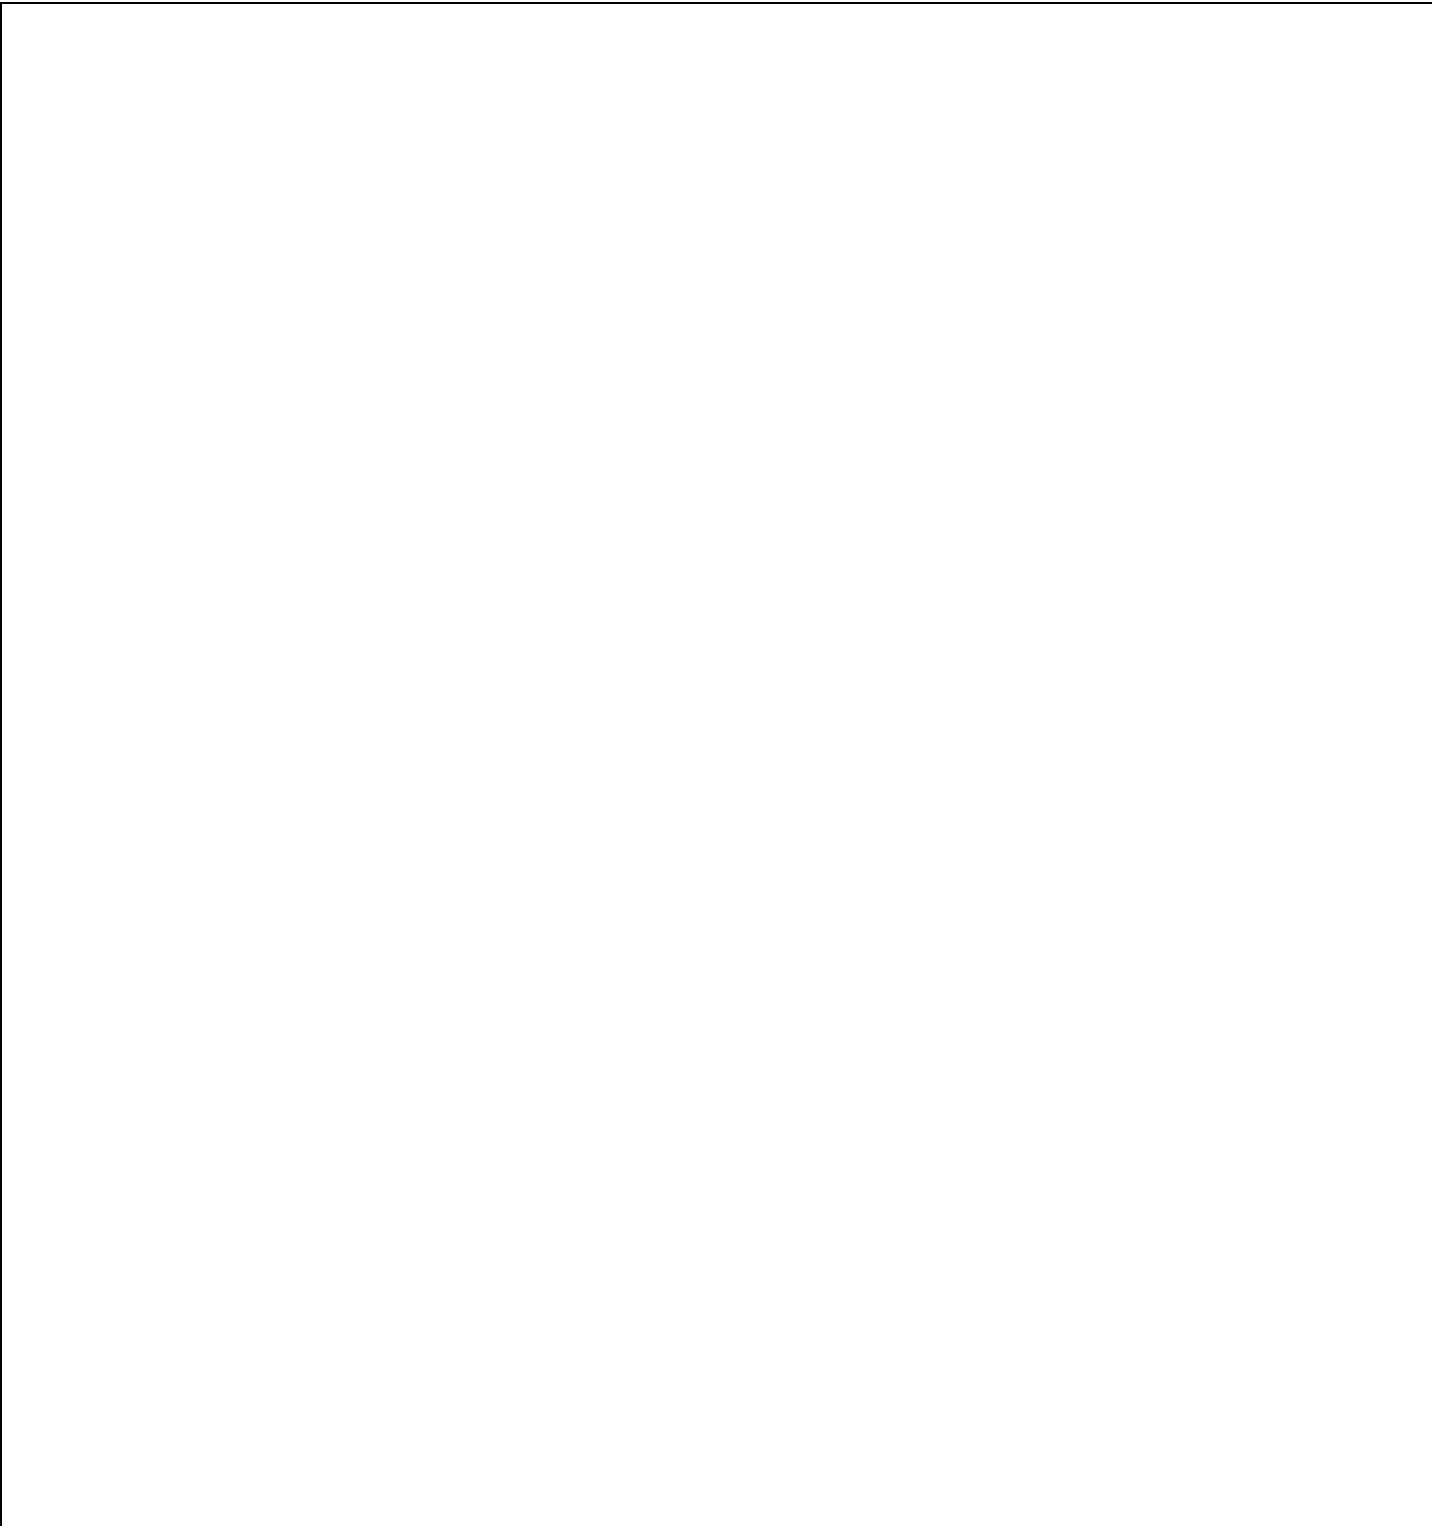

### 3. Project Plan

Describe the project plan including the exploration/development model. Provide supporting rationale and technical reports relating to the project plan (existing NI43-101 technical reports, baseline environmental studies, environmental approvals, etc.).

Include references of all relevant case studies for any unconventional work being proposed.

A large, empty rectangular box with a thin black border, occupying the majority of the page below the text. It is intended for the user to provide the project plan details and case study references as instructed in the text above.

**4. Summary of expected results**

A large, empty rectangular box with a thin black border, intended for the user to write the summary of expected results. The box occupies most of the page below the section header.

**5. Proposed performance schedule/dates**

Activity	Commencement Date (yr/mm/dd)	Completion Date (yr/mm/dd)

**6. Expertise available to the project**

Provide a list of subject expert(s) who will be responsible for the project. For more advanced projects, provide CV(s) of Qualified Person(s) (attach with application).

Name	Expertise

**7. List of Estimated Expenditures Related to the Proposed Project**

All costs over \$5,000 require a reasonable estimate included at the time of application, unless this requirement is waived by the Department. Detailed quotes are not required for approval; however, funds will not be disbursed until three detailed quotes are received. Exceptions may be considered where there is a lack of available contractors for that proposed activity, or in the local area where the work is taking place. If requesting sole-source contracting, please include the reason for choosing the contractor. **Whenever possible, Nova Scotia-based contractors should be utilized.** Please note that some expenditures are ineligible (please see the Shared Funding Grant Terms and Conditions).

Expense Type	Total (excluding HST)
<b>Total Project Cost</b>	
<b>Total MRDF Assistance Requested (50% Total Project Cost to max. MRDF input of \$100,000 or \$200,000)</b>	

### 8. Student Funding

List student work program activities and estimated duration of each (student must be a geoscience or engineering student enrolled in a post-secondary institution):

<b>Total MRDF Student Grant Requested (\$5,000 max.)</b>	

For enquiries please contact the MRDF Administrator: 902-424-8157, e-mail [mrdf@novascotia.ca](mailto:mrdf@novascotia.ca).

This application along with accompanying documents (see checklist) must be received no later than 4:00 pm on Wednesday, April 15, 2020, by the MRDF Administrator at [mrdf@novascotia.ca](mailto:mrdf@novascotia.ca).

All applicants are required to complete and sign the application checklist on the next page and include all the required documentation with this application.
