

Acknowledgments

The authors gratefully acknowledge the following people from the Nova Scotia Department of Natural Resources for their contribution to this study: Dr. Mike Cherry and Dr. Bob Ryan for their support of the project, Doug MacDonald and Kathy Mills for editing, Angelina Ehler of the Geoscience Information Services Section for figure and map preparation, and Paul Barker for the preparation of the digital database, Cynthia Phillips of Graphics and Mapping Services for figure preparation, and Barb MacDonald of the Geoscience Information Services Section for manuscript preparation. Thanks to Dr. Chris White and John Fowler for reviewing the manuscript and the staff of the Geological Services Division for their scientific input and advice during the course of this research. We also thank the land owner, Bowater Mersey Paper Company Limited, for their cooperation in permitting this research to take place on their property.

Any errors or omissions in this report are the sole responsibility of the authors.
