

2022-23 Nova Scotia Mineral Resources Development Fund (MRDF)

Application for Shared Funding Grant

Enter data into the fields below (tables and text boxes are expandable if more space is required):

1. **Company Information** (copy of Provincial/Extra-Provincial Company Registration and details of any agreements with outside parties that have a vested interest in the property must be submitted with the application)

Contact Information			
Applicant Name		NovaROC ID	
Mailing Address			
Licence Holder		If no, please state	
Phone (Primary)		Phone (Secondary)	
Email			
Is the company's portion of the project fully financed, or is financing contingent on receiving a MRDF grant?			
Would you like to be added to the MRDF email distribution list?			
Is the applicant eligible for federal government re-imbusement of the Harmonized Sales Tax (HST)?			

Project Information			
Contact Person			
Phone		Email	
Project Name			
Location of Property <i>(community, county, etc.)</i>			
Main Project Activity			

2. Description of Project

Estimated starting date of project

Estimated completion date of project

Location of the work program(s) and status of private landowner access negotiations. Provide copies of any existing Crown land access permits. If Crown land access permits have not been obtained at the date of application, the applicant must provide copies prior to the commencement of approved work program.

B) History of mineral licence tenure and a comprehensive exploration history of the property

A large, empty rectangular box with a thin black border, occupying the majority of the page below the section header. It is intended for the user to provide the history of mineral licence tenure and exploration history of the property.

C) Relevant supporting scientific/assessment reports

Report Name	Report Author

D) Previous Grants

List of all previous grants received (by the applicant) from the Nova Scotia Mineral Incentive Program and the Nova Scotia Mineral Resource Development Fund for this property (how many grants and what years). For each previous grant received by the applicant, provide a summary of results of how the property advanced as a result of each grant.

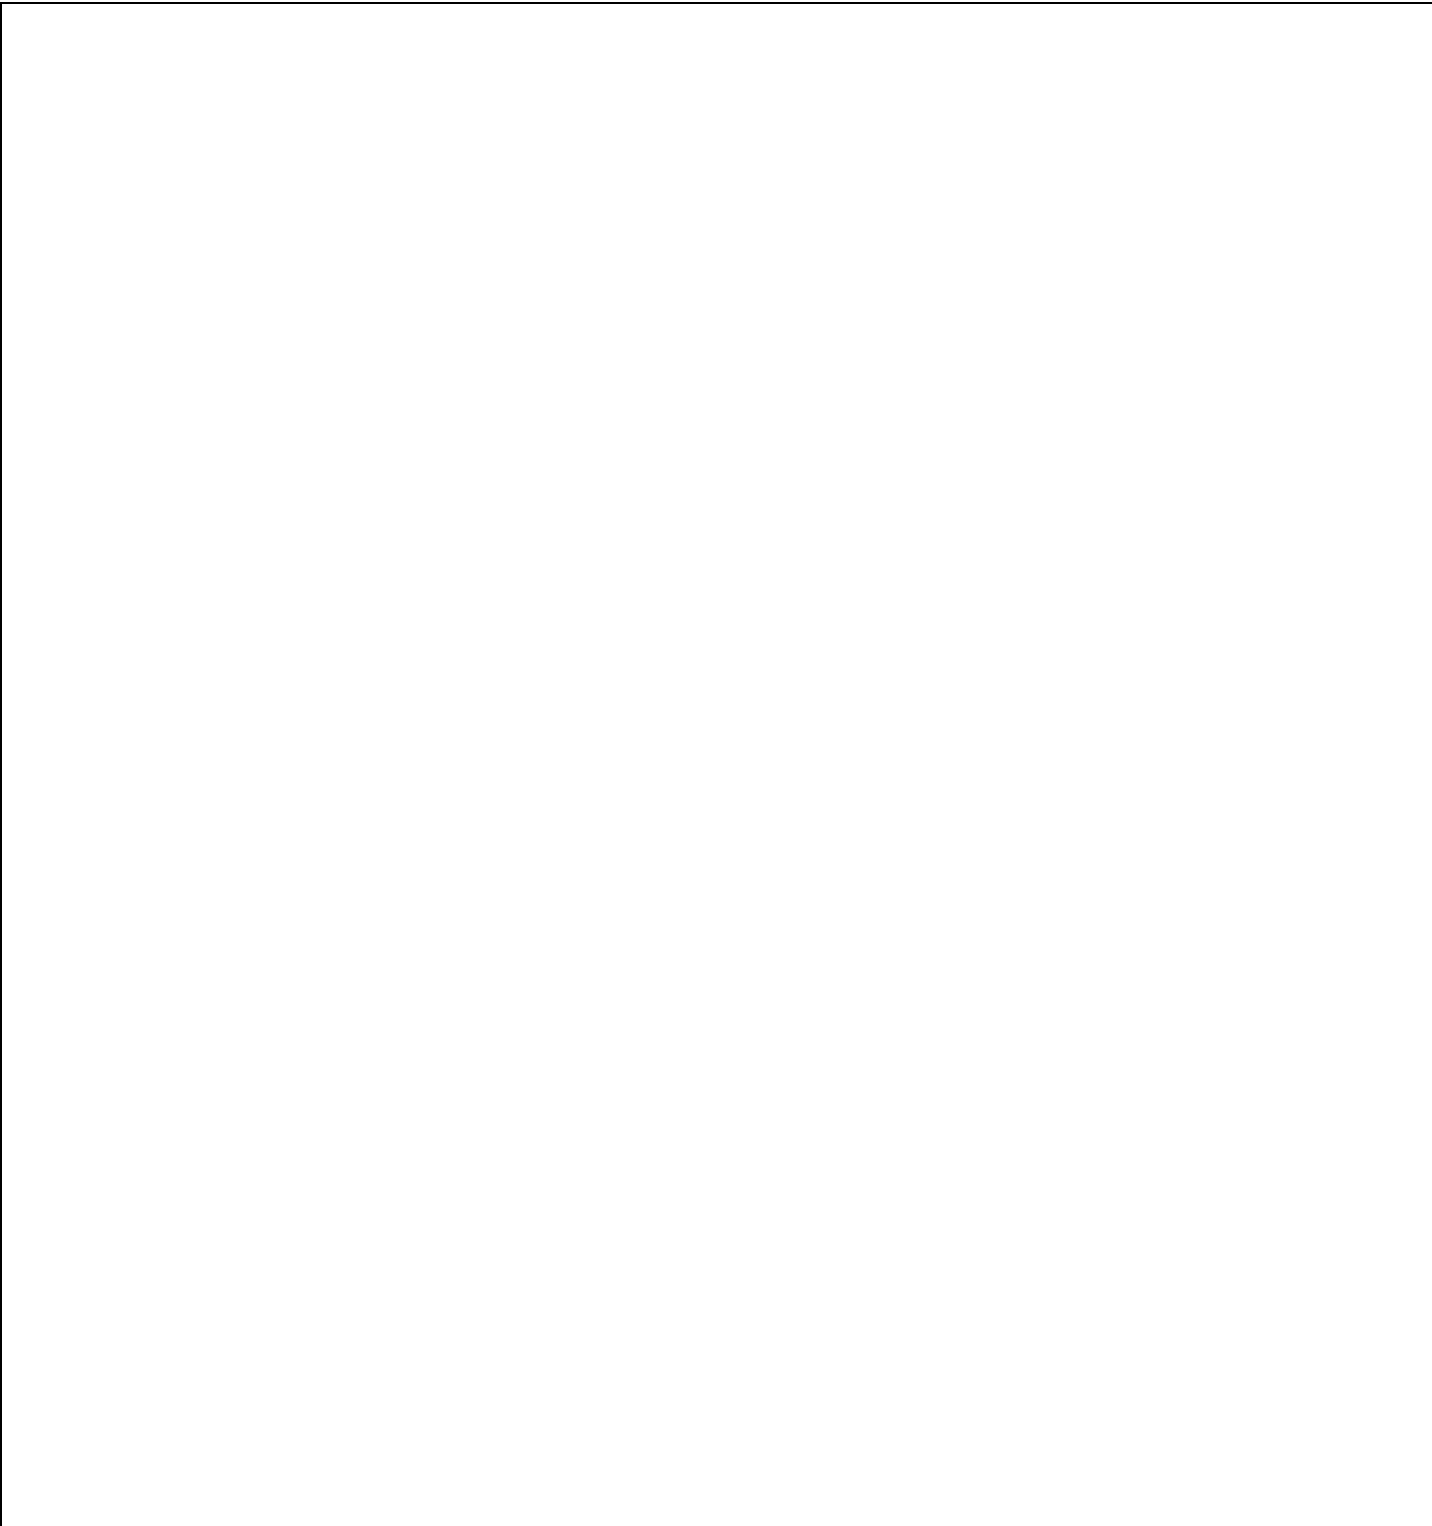

3. Project Plan

Describe the project plan including the exploration/development model. Provide supporting rationale and technical reports relating to the project plan (existing NI43-101 technical reports, baseline environmental studies, environmental approvals, etc.).

Include references of all relevant case studies for any unconventional work being proposed.

A large, empty rectangular box with a thin black border, occupying the majority of the page below the text. It is intended for the user to provide the details of the project plan, supporting rationale, technical reports, and case studies as instructed in the text above.

4. Summary of expected results

A large, empty rectangular box with a thin black border, intended for the user to write the summary of expected results. The box occupies most of the page below the section header.

5. Proposed performance schedule/dates

Activity	Commencement Date (yr/mm/dd)	Completion Date (yr/mm/dd)

6. Expertise available to the project

Provide a list of subject expert(s) who will be responsible for the project. For more advanced projects, provide CV(s) of Qualified Person(s) (attach with application).

Name	Expertise

7. List of Estimated Expenditures Related to the Proposed Project

All costs over \$5,000 require a reasonable estimate included at the time of application unless this requirement is waived by the Department. Detailed quotes are not required for approval; however, funds will not be disbursed until three detailed quotes are received. Exceptions may be considered where there is a lack of available contractors for that proposed activity, or in the local area where the work is taking place. If requesting sole-source contracting, please include the reason for choosing the contractor. **Whenever possible, Nova Scotia-based contractors should be utilized.** Please note that some expenditures are ineligible (please see the Shared Funding Grant Terms and Conditions).
