Email for contact person	

In Nova Scotia, we seek to provide opportunities to equity deserving groups, including Indigenous People, persons with disabilities, African Nova Scotians, other racialized persons, and women in under-represented roles/positions. To ensure the integration of equity, diversity, inclusion, and accessibility within the proposed projects, applicants are encouraged to thoroughly address the societal implications and impacts of their proposed projects. This could involve active engagement with communities from the early stages. Select all that applies to your proposed project. This is asked for data collection purposes only.

The proposed project will be led by... (select all that apply)

- An African Nova Scotian
- An Indigenous person
- A person with a disability
- A woman
- Another racialized person
- Prefer not to say
- None of the above

Project Information

Mineral Exploration Licences

- a. Please provide an accurate listing of the claim reference map sheets, tracts and claims, issue date and expiry date (as employed in the N.S. Registry of Mineral and Petroleum Titles on NovaRoc) of the exploration licence(s) you are proposing to work on.

Exploration Licence No.	Claim Ref. Map	Tracts	Claims	Issue Date yyyy-mm-dd	Expiry Date yyyy-mm-dd

Geophysical Survey Information

- a. Provide a list of the target commodities of this project.

- b. Fill out the table below to explain the proposed geophysical survey for this project. Attach a map to this application of the proposed survey area.

Proposed survey technique type	
Proposed line kilometers	
Which contractor do you propose to use?	

- c. Has previous geophysical data been collected on this licence(s)? If yes, when was it collected and what was done? Provide a reference to a report, if possible.
- d. Has previous drilling occurred on the same licence(s)? If yes, how many holes, how deep were the holes, and when was it completed? Briefly summarize (less than ½ page) the findings of any geochemical analyses of the drill core below. Provide a reference to a report, if possible.
- e. If you answered yes to questions c or d above, why should we consider this geophysical survey?

Project Timeline

All data collect by this project must be received by Natural Resources and Renewables no later than March 15, 2025. Work for this project must have been completed between April 1, 2024 and March 15, 2025 and all paid receipts from this timeframe must accompany the data by March 15, 2025 to be eligible for reimbursement.

- a. When will you conduct the survey for this project?

Project Expertise

Provide a list of subject matter experts/professionals to be used. This can include geological contractors and technicians, academics, prospectors and/or the grantee themselves.

Name	Expertise

Project Budget

Please list estimated expenses for this project below. A quote must be included with this application from a contractor or for equipment rental. If you are hiring a geologist to provide analysis of the geophysical survey and write a final report, please indicate that here. See the Terms and Conditions for more details of the eligible expenses.

Expense	Cost Estimate (\$)
Geophysical survey contractor (quote required with this application)	
Equipment rental	
Overhead (may not exceed 10% of total costs claimed)	
Total Grant Requested (Maximum of \$40,000 per project)	

Application Checklist

Please indicate if you have completed the following:

- | | | |
|--|------------------------------|------------------------------|
| Completed this application form | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| Included a map of the proposed survey | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| Included a quote for the geophysical survey contractor or equipment rental | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| Have read and understood the Terms and Conditions associated with this grant stream | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| Attached all relevant licensee/holder/agent/company/joint venture agreements (these also need to be registered in NovaRoc) | Yes <input type="checkbox"/> | n/a <input type="checkbox"/> |
| Copy of Provincial/Extra-Provincial Company Registration Certificate | Yes <input type="checkbox"/> | n/a <input type="checkbox"/> |
