

NOTICE

Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on December 15, 2022, Chapman Bros Construction Ltd. registered an Addendum to the original Westchester Quarry Expansion Project Registration Document in accordance with Part IV of the Environment Act, and in response to a request for additional information from Nova Scotia Environment and Climate Change dated January 18, 2022. The Addendum provides additional information on the influence of the expanded quarry on surface water resources; and an assessment of fish and fish habitat in nearby watercourses.

The purpose of the proposed undertaking is to expand the existing Westchester Quarry located at 2327 Westchester Road in the community of Rose, Cumberland County. The existing 3.875 ha aggregate quarry is planned to be expanded up to 40.36 ha over the next 50 years. Aggregate from Westchester Quarry is used locally for road construction and for construction projects in Prince Edward Island.

Copies of the environmental assessment registration information may be examined at the following locations:

- Springhill Miners Memorial Library: 85 Main Street, Springhill, NS
