

NOTICE

Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on December 3, 2004, Heritage Gas registered the Amherst high pressure distribution steel pipeline project for environmental assessment, in accordance with Part IV of the Environment Act.

The purpose of the proposed undertaking is to convey natural gas from the Maritimes & Northeast Pipelines main line near Amherst Head to Amherst. The project consists of construction and operation of a 17.6 km pipeline, two regulator stations, valves and control systems. Construction is scheduled to begin in June 2005 with delivery of natural gas beginning by September 2005.

Copies of the environmental assessment registration information may be examined at the following locations:
