

NOTICE

Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on December 9, 2022, EverWind Fuels Company registered the EverWind Point Tupper Green Hydrogen/Ammonia Project – Phase 1 for environmental assessment, in accordance with Part IV of the *Environment Act*.

The purpose of the proposed undertaking is to develop and operate a Certified Green energy hydrogen and ammonia production facility on an industrial property situated along the Strait of Canso near Port Hawkesbury, Cape Breton. The green ammonia produced and sold is expected to be transported internationally for use in decarbonizing various industrial processes, including the production of ammonia-based fertilizer. The Project intends to begin construction in Spring 2023.

Copies of the environmental assessment registration information may be examined at the following locations:

- Port Hawkesbury Civic Centre – 606 Reeves Street, Port Hawkesbury, NS, B9A 2R7
- Port Hawkesbury Public Library – 304 Pitt Street, Port Hawkesbury, NS, B9A 2T9
- Department of Environment and Climate Change – Regional Office, 218 MacSween Street, Suite 12, Port Hawkesbury, NS
- EA website (when available) <https://www.novascotia.ca/nse/ea/>

The public is invited to submit written comments to:

Environmental Assessment Branch
Nova Scotia Environment & Climate Change
P.O. Box 442, Halifax, Nova Scotia B3J 2P8

on or before January 18, 2023, or contact the Department at (902) 424-3600, (902) 424-6925 (Fax), or e-mail at EA@novascotia.ca.

All comments received from the public consultation will be posted on the department's website for public viewing. In the case of an individual, the address, email and contact information will be removed before being placed on the website. By submitting your comments, you are consenting to the posting of your comments on the department's website.
