Re: Environmental Assessment Registration Submission — *Little River Pumping and Transmission System Project* (Landrie Lake Water Utility)

Dear Mr. Heggelin,

On behalf of the Landrie Lake Water Utility (LLWU) and the Town of Port Hawkesbury, this letter is to accompany and confirm the submission of the Environmental Assessment Registration for the Little River Pumping and Transmission System Project, submitted to Nova Scotia Environment and Climate Change (NSECC) — Environmental Assessment Branch.

As Chief Administrative Officer for the Town of Port Hawkesbury, and as the authorized representative supporting this submission on behalf of the Landrie Lake Water Utility, I confirm that I have reviewed the contents of the Environmental Assessment Registration documentation and approve and accept the contents of the document as submitted to Nova Scotia Environment and Climate Change (NSECC) — Environmental Assessment Branch.

Should you require any additional information or clarification during your review, please contact the undersigned, and we would be pleased to provide it promptly.

Thank you for your assistance and continued guidance throughout the registration process.

Sincerely,

Terry Doyle, P.Eng.
