Please provide your comments:

Not happy with noise & Dust on Road & Repairs to the Road disgusting

NCCI's Mount Uniacke Quarry Project – Comments from Open House on May 10, 2022

Name:	Please provide your comments:
Address:	<p>5 How is the quarry going to mitigate the dust? What about WATER QUALITY of the surrounding LAKES?</p>
Phone:	<p>Why hasn't the quarry used some of their GRAVEL to fix the ^{UNIACKE MINES} ROAD? This would show good CORPORATE CONSIDERATION. Even if the ROAD is owned by the PROVINCIAL GOV.</p>
<p>Additional questions? For Environmental Assessment questions, contact Meghan Marriott (WSP Canada Inc.) at Meghan.Marriott@wsp.com, and for quarry related inquiries, contact Andrew Rodgers (NCCI) at arodgers@nccorps</p>	

NCCI's Mount Uniacke Quarry Project – Comments from Open House on May 10, 2022

Name:	<p>Please provide your comments:</p> <p>A proper sit down meeting with the community should be scheduled. Where all the information pertaining to the environmental and community impacts this expansion would cause.</p> <p>All information should be calmly stated in layman's terms with a question & answer time period allotted for the members of the community to address unanswered issues.</p>
Address:	
Phone:

Please provide your comments:

I feel like my attendance today was a total waste of time.
Mt. Uniacke Fire Hall May 10, 2022
at 6p.m.

My expectation is that ~~they~~ WSP would have given a presentation to the community on what they were hired to do and assessments done to date, description of work and the results.

Hopefully, this will be done in the near future.

Please provide your comments:

- ~~Dust~~ be kicked up
- trucks
- mt of trucks (6/hr)
- No more wildlife in the quarry
- fear for myself and of running ATVs
 - took ATV trail, part of another one
- fear for animals crossing the road
- fear backing out of driveway
 - trucks go full speed.
- Potholes
- Lack of maintenance
