

NOTICE

Registration of Undertaking for Environmental Assessment *ENVIRONMENT ACT*

This is to advise that on September 23, 2025, Northumberland Capital Corporation Inc. (NCCI) registered an Addendum to the Mount Uniacke Quarry Expansion Environmental Assessment Registration Document, in accordance with Part IV of the *Environment Act*. In response to the September 16, 2024 request for additional information letter from the Minister of Environment and Climate Change, this Addendum submission provides information related to the surface water assessment subsequently completed for the project.

The purpose of the proposed undertaking is to expand the existing quarry from approximately 4 ha to 40 ha to allow for the continued production and stockpiling of aggregate used in a wide variety of local construction and infrastructure projects. The proposed undertaking will take place approximately 2.5 km northeast of the community of Mount Uniacke, Municipality of East Hants, Nova Scotia. The access road to the quarry is located off Uniacke Mines Road, approximately 2.3 km northeast of the intersection of Trunk 1 and Uniacke Mines Road (44.915°N, - 63.8141°W). The project's lifespan will be an estimated 30 to 50 years with continued production of an average of 30,000-50,000 tonnes of aggregate annually, based on current market demands. The commencement of the proposed project is Summer 2026.

Copies of the environmental assessment registration information may be examined at the following locations:
